Preamble

Spirit of Cricket

Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws (which are incorporated within these Playing Conditions), but also within the Spirit of Cricket.

The major responsibility for ensuring fair play rests with the captains, but extends to all players, umpires and, especially in junior cricket, teachers, coaches and parents.

Respect is central to the Spirit of Cricket.

Respect your captain, team-mates, opponents and the authority of the umpires.

Play hard and play fair.

Accept the umpire's decision.

Create a positive atmosphere by your own conduct, and encourage others to do likewise.

Show self-discipline, even when things go against you.

Congratulate the opposition on their successes, and enjoy those of your own team. Thank the officials and your opposition at the end of the match, whatever the result.

Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within the Spirit of Cricket.

1. The Players

1.1. Number of players

A match is played between two sides, each of eleven players, one of whom shall be captain.

- 1.1.1. A minimum of 8 players listed in the team sheet must be present to take the field at the start of the match. Teams failing to have 8 players present will forfeit the match as seen in clause 16.2.1.3

1.2. Nomination and replacement of players

- 1.2.1. Each captain shall nominate 11 players plus a maximum of 2 substitute fielders in writing to the **ECS Official** before the toss. No player (member of the playing eleven) may be changed after the nomination without the consent of the opposing captain and the **match referee**.
- 1.2.2. All players are to be male, and a maximum of 2 players aged between 16 and 18 are allowed to play in any match. No player can be younger than 16 in any match.

- 1.2.4. All those nominated, including those nominated as substitute fielders, must be eligible to play for that particular team and by such nomination the nominees shall warrant that they are so eligible. See hosting National Federation Player Eligibility.

 - 1.2.7.b. Enter any part of the playing area (which shall include the field of play and the area between the boundary and the perimeter boards) and the PMOA at any time, including any scheduled or unscheduled breaks in play. A player who has been suspended from participating in a match shall be permitted from the toss of the coin and for the remainder of the match thereafter be permitted to enter the players' dressing room provided that the players' dressing room (or any part thereof) for the match is not within the playing area described in clause 1.2.5.2 above (for example, the player is not permitted to enter the on-field 'dug-out').
- 1.2.8. Any player attempting to play under another players name will be banned for the remainder of the tournament
 - 1.2.8.a. Shall a captain knowingly allow a player to enter the field that is not nominated in the playing 11 or as a substitute fielder. They will be disciplined by the tournament referee. This action can range from a 1 match suspension to a ban from the tournament

1.3. Captain

- 1.3.1. If at any time the captain is not available, a deputy shall act for him.
- 1.3.2. If a captain is not available to nominate the players, then any person associated with that team may act as his deputy to do so. See clause 1.2.

2.3. Consultation with National Federation Board

Before the match the umpires shall consult with the National Federation Board to determine;

- 2.3.1. the balls to be used during the match. See clause 4 (The ball).
- 2.3.2. the hours of play and the times and durations of any agreed intervals.

- 2.4.3. The boundary of the field of play complies with the requirements of clauses 19.1 (Determining the boundary of the field of play), 19.2 (Identifying and marking the boundary) and 19.3 (Restoring the boundary).

2.5. Conduct of the match, implements and equipment

Before the toss and during the match, the umpires shall satisfy themselves that

- 2.5.1. The conduct of the match is strictly in accordance with these Playing Conditions.
- 2.5.2. The implements used in the match conform to the following
 - 2.5.2.a. clause 4 (The ball)

 - 2.5.2.c. either clauses 8.2 (Size of stumps) and 8.3 (The bails)

- 2.5.3.** No player uses equipment other than that permitted. See paragraph 2 of Appendix A. Note particularly therein the interpretation of 'protective helmet'.
- 2.5.4.** The wicket-keeper's gloves comply with the requirements of clause 27.2 (Gloves).

2.6. Fair and unfair play

The umpires shall be the sole judges of fair and unfair play.

2.7. Fitness for play

- 2.7.1.** It is solely for the umpires together to decide whether either conditions of ground, weather or light or exceptional circumstances mean that it would be dangerous or unreasonable for play to take place. Conditions shall not be regarded as either dangerous or unreasonable merely because they are not ideal. The fact that the grass and the ball are wet does not warrant the ground conditions being regarded as unreasonable or dangerous.
- 2.7.2.** Conditions shall be regarded as dangerous if there is actual and foreseeable risk to the safety of any player or umpire.
- 2.7.3.** Conditions shall be regarded as unreasonable if, although posing no risk to safety, it would not be sensible for play to proceed.
- 2.7.4.** If the umpires consider the ground is so wet or slippery as to deprive the bowler of a reasonable foothold, the fielders of the power of free movement, or the batsmen of the ability to play their strokes or to run between the wickets, then these conditions shall be regarded as so bad that it would be dangerous and unreasonable for play to take place.

2.8. Suspension of play in dangerous or unreasonable circumstances

- 2.8.1.** All references to ground include the pitch. See clause 6.1 (Area of pitch)
- 2.8.2.** If at any time the umpires together agree that the conditions of ground, weather or light, or any other circumstances are dangerous or unreasonable, they shall immediately suspend play, or not allow play to start or to recommence. The decision as to whether conditions are so bad as to warrant such action is one for the umpires alone to make, following consultation with the ECS Match Referee
- 2.8.3.** If circumstances are warranted, the umpires shall stop play and instruct the Ground Authority to take whatever action they can and use whatever equipment is necessary to remove as much dew as possible from the outfield when conditions become unreasonable or dangerous. The umpires may also instruct the ground staff to take such action during scheduled and unscheduled breaks in play
- 2.8.4.** Use of artificial lights. If in the opinion of the umpires, natural light is deteriorating to an unfit level, they shall authorise the Ground Authority to use the available artificial lighting so that the match can commence or continue in acceptable conditions. In the event of power failure or lights malfunction, the provisions relating to the delay or interruption of play due to bad weather or light shall apply.
- 2.8.5.** Removed
- 2.8.6.** When there is a suspension of play it is the responsibility of the umpires to monitor conditions. They shall make inspections as often as appropriate, unaccompanied by any players or officials. Immediately the umpires together agree that the conditions are no longer dangerous or unreasonable they shall call upon the players to resume play.
- 2.8.7.** The safety of all persons within the ground is of paramount importance to the ECS. In the event that of any threatening circumstance, whether actual or perceived (including for example weather, pitch invasions, act of God, etc.), then the umpires, on the advice of the ECS Match Referee, should suspend play and all players and officials should immediately be

asked to leave the field of play in a safe and orderly manner and to relocate to a secure and safe area (depending on each particular threat) pending the satisfactory passing or resolution of such threat or risk to the reasonable satisfaction of the umpires, ECS Match Referee, the head of the relevant Ground Authority, the head of ground security and/or the police as the circumstances may require.

2.8.8. Where play is suspended under clause 2.8.8 above the decision to abandon or resume play shall be the responsibility of the ECS Match Referee who shall act only after consultation with the head of ground security and the police.

2.9. Position of umpire

The umpires shall stand where they can best see any act upon which their decision may be required. Subject to this overriding consideration, the bowler's end umpire shall stand in a position so as not to interfere with either the bowler's run-up or the striker's view. The striker's end umpire may elect to stand on the off side instead of the on side of the pitch, provided he/she informs the captain of the fielding side, the striker and the other umpire.

2.10. Umpires changing ends

Shall not apply.

2.11. Disagreement and dispute

Where there is disagreement or dispute about any matter, the umpires together shall make the final decision. See also clause 31.6 (Consultation by umpires).

2.12. Umpire's decision

An umpire may alter any decision provided that such alteration is made promptly. This apart, an umpire's decision, once made, is final.

2.13. Signals

2.13.1. The following code of signals shall be used by umpires

2.13.1.a. Signals made while the ball is in play;

No ball - by extending one arm horizontally.

Out - by raising an index finger above the head. (If not out, the umpire shall call Not out.)

Wide - by extending both arms horizontally.

2.13.1.b. When the ball is dead, the bowler's end umpire shall repeat the signals in clause 2.13.1.1, with the exception of the signal for Out, to the scorers.

2.13.1.c. The signals listed below shall be made to the scorers only when the ball is dead.

Boundary 4 - by waving an arm from side to side finishing with the arm across the chest.

Boundary 6 - by raising both arms above the head. Bye - by raising an open hand above the head.

Five Penalty runs awarded to the batting side – by repeated tapping of one shoulder with the opposite hand.

Leg bye - by touching a raised knee with the hand.

Revoke last signal - by touching both shoulders, each with the opposite hand.

Short run - by bending one arm upwards and touching the nearer shoulder with the tips of the fingers.

Free Hit – after signalling the No ball, the bowler's end umpire extends one arm straight upwards and moves it in a circular motion.

Powerplay Over – by rotating his arm in a large circle.

The following signal is for Level 4 player conduct offences. The signal has two parts, both of which should be acknowledged separately by the scorers.

Level 4 conduct

Part 1 – by putting one arm out to the side of the body and repeatedly raising it and lowering it.

Part 2 – by raising an index finger, held at shoulder height, to the side of the body.

- 2.13.1.d.** All the signals in clause 2.13.1.3 are to be made by the bowler's end umpire except that for Short run, which is to be signalled by the umpire at the end where short running occurs. However, the bowler's end umpire shall be responsible both for the final signal of Short run to the scorers and, if more than one run is short, for informing them as to the number of runs to be recorded.
- 2.13.2.** The umpire shall wait until each signal to the scorers has been separately acknowledged by a scorer before allowing play to proceed. If several signals are to be used, they should be given in the order that the events occurred.

2.14. Informing the umpires

Wherever the umpires are to receive information from captains or other players under these Playing Conditions, it will be sufficient for one umpire to be so informed and for him/her to inform the other umpire.

2.15. Correctness of scores

Consultation between umpires and scorers on doubtful points is essential. The umpires shall, throughout the match, satisfy themselves as to the correctness of the number of runs scored, the wickets that have fallen and, where appropriate, the number of overs bowled. The umpires shall ensure that they are able to contact the scorers at any time during the match and at its conclusion to address any issues relating to the correctness of scores.

3. The Scorers

3.1. Appointment of scorers

Two scorers shall be appointed to record all runs scored, all wickets taken and, where appropriate, number of overs bowled.

3.2. Correctness of scorers

The scorers shall frequently check to ensure that their records agree and consult with the umpires if necessary. See clause 2.15 (Correctness of scores).

3.3. Acknowledging signals

The scorers shall accept all instructions and signals given to them by the umpires and shall immediately acknowledge each separate signal.

4. The Ball

4.1. Weight and Size

The ball, when new, shall weigh not less than 5.5 ounces/155.9 g, nor more than 5.75 ounces/163 g, and shall measure not less than 8.81 in/22.4 cm, nor more than 9 in/22.9 cm in circumference.

4.2. Approval and control of balls

4.2.1. The ECS Board shall provide white cricket balls of an approved standard by the ECS Board and spare used balls for changing during a match, which shall also be of the same brand.

Note: The ECS shall advise the National Federations of the brand of ball to be used in the match(es) at least 30 days prior to the start of the match(es).

It is bounded at either end by the bowling creases and on either side by imaginary lines, one each side of the imaginary line joining the centres of the two middle stumps, each parallel to it and 5 ft/1.52 m from it. If the pitch is next to an artificial pitch which is closer than 5 ft/1.52 m from the middle stumps, the pitch on that side will extend only to the junction of the two surfaces. See clauses 8.1 (Description, width and pitching) and 7.2 (The bowling crease).

6.2. Fitness of pitch for play

The umpires shall be the sole judges of the fitness of the pitch for play. See clauses 2.7 (Fitness for play) and 2.8 (Suspension of play in dangerous or unreasonable conditions).

6.3. Selection and preparation

Before the match, the Ground Authority shall be responsible for the selection and preparation of the pitch. During the match, the umpires shall control its use and maintenance.

- 6.4.3. If the captains agree to continue, play shall resume.
- 6.4.4. If the decision is not to resume play, the on-field umpires together with the ECS Match Referee shall consider whether the existing pitch can be repaired and the match resumed from the point it was stopped. In considering whether to authorise such repairs, the ECS Match Referee must consider whether this would place either side at an unfair advantage, given the play that had already taken place on the dangerous pitch.
- 6.4.5. If the decision is that the existing pitch cannot be repaired, then the match is to be abandoned with the following consequences:

- 6.4.5.a.** In the event of the required number of overs to constitute a match having been completed at the time the match is abandoned, the result shall be determined according to the provisions of clause 16.4.2.
- 6.4.5.b.** In the event of the required number of overs to constitute a match not having been completed, the match will be abandoned as a no result.
- 6.4.6.** If the abandonment occurs on the day of the match, the ECS Match Referee shall consult with the ECS Board with the objective of finding a way for a new match (including a new nomination of teams and toss) to commence on the same date and venue. Such a match may be played either on the repaired pitch or on another pitch, subject to the ECS Match Referee and the relevant Ground Authority both being satisfied that the new pitch will be of the required standard. The playing time lost between the scheduled start time of the original match and the actual start time of the new match will be covered by the provisions of clause 12.
- 6.4.7.** If it is not possible to start a new match on the scheduled day of the match, the relevant officials from the participating Boards shall agree on whether the match can be replayed within the existing tour schedule.
- 6.4.8.** Throughout the above decision making processes, the ECS Match Referee shall keep informed both captains and the head of the Ground Authority. The head of the Ground Authority shall ensure that suitable and prompt public announcements are made.

The return creases, which are the inside edges of the crease markings, shall be at right angles to the popping crease at a distance of 4 ft 4 in/1.32 m either side of the imaginary line joining the centres of the two middle stumps. Each return crease shall be marked from the popping crease to a minimum of 8 ft/2.44 m behind it and shall be considered to be unlimited in length.

8.3.4. Devices aimed at protecting player safety by limiting the distance that a bail can travel off the stumps will be allowed, subject to the approval of the the hosting National Federation Board.

8.4. Dispensing with bails

The umpires may agree to dispense with the use of bails, if necessary. If they so agree then no bails shall be used at either end. The use of bails shall be resumed as soon as conditions permit. See clause 29.4 (Dispensing with bails).

8.5. LED Wickets

The use of approved LED Wickets is permitted. Refer also to paragraphs 3.8.1.6 and 4.2 of Appendix D.

Rolling after a delayed start In addition to the rolling permitted above, if, after the toss and before the first innings of the match, the start is delayed, the captain of the batting side may request that the pitch be rolled for not more than 7 minutes. However, if the umpires together agree that the delay has had no significant effect on the state of the pitch, they shall refuse such request for rolling of the pitch.

9.1.3. Choice of rollers

If there is more than one roller available the captain of the batting side shall choose which one is to be used.

The following shall apply in addition to clause 9.1:

9.2.1.a. between innings. This shall precede rolling if any is to take place.

9.2.2. The clearance of debris in clause 9.2.1 shall be done by sweeping, except where the umpires consider that this may be detrimental to the surface of the pitch. In this case the debris must be cleared from that area by hand, without sweeping.

9.8.2. Approval should only be granted where such measures are unavoidable and will not compromise the safety of the players or their ability to execute their actions with complete freedom

9.8.3. The preparation work shall be carried out under the supervision of the fourth umpire.

9.8.4. The consent of the captains is not required but the umpires shall advise both captains and the ECS Match Referee before the start of the match on what has been agreed.

9.9. Non-turf pitches

Wherever appropriate, the provisions set out in 9.1 to 9.8 shall apply.

10. Covering the pitch

10.1. Before the match

The use of covers before the match is the responsibility of the Ground Authority and may include full covering if required. The pitch shall be entirely protected against rain up to the commencement of play. However, the Ground Authority shall grant suitable facility to the captains to inspect the pitch before the nomination of their players and to the umpires to discharge their duties as laid down in clauses 2 (The umpires), 6 (The pitch), 7 (The creases), 8 (The wickets), and 9 (Preparation and maintenance of the playing area).

10.2. During the match

The pitch shall be entirely protected against rain up to the commencement of play, and for the duration of the period of the match. The covers must totally protect the pitch and also the pitch surroundings, to a minimum of 5 metres either side of the pitch, and any worn or soft areas in the outfield. The bowlers' run-ups shall be covered during inclement weather, in order to keep them dry, to a distance of at least 10 x 10 metres.

10.3. Removal of covers

All covers (including "hessian" or "scrim" covers used to protect the pitch against the sun) shall be removed not later than 2 1/2 hours before the scheduled start of play provided it is not raining at the time, but the pitch will be covered again if rain falls prior to the commencement of play.

- Intervals between innings.
- Any other agreed interval.

11.2. Duration of interval

11.2.1. There shall be a 10 minute interval between innings for a T10, taken from the call of Time before the interval until the call of Play on resumption after the interval.

11.3. Allowance for interval between innings

Law 11.3 of the Laws of Cricket shall not apply.

11.4. Changing agreed times of intervals

11.4.1. If the innings of the team batting first is completed prior to the scheduled time for the interval, the interval shall take place immediately and the innings of the team batting second will commence correspondingly earlier. In circumstances where the side bowling first has not completed the allotted number of overs by the scheduled or rescheduled cessation time for the first innings, the umpires shall reduce the length of the interval by the amount of time that the first innings over-ran. The time for the interval will be 10 minutes.

11.5. Intervals for drinks

11.5.1. No drinks intervals shall be permitted.

11.5.2. An individual player may be given a drink either on the boundary edge or at the fall of a wicket, on the field, provided that no playing time is wasted. 12.5. Completion of an over

Other than at the end of the match,

- 12.5.1.** if the agreed time for an interval is reached during an over, the over shall be completed before the interval is taken, except as provided for in clause 12.5.2.

12.6. Conclusion of match

12.6.1. The match is concluded

12.6.1.a. as soon as a result as defined in clauses 16.1 to 16.5 (The result) is reached.

12.6.1.b. as soon as the prescribed number of overs have been completed.

12.6.2. The match is concluded if, without a conclusion having been reached under 12.6.1, the players leave the field for adverse conditions of ground, weather or light, or in exceptional circumstances, and no further play is possible.

12.7. Hours of Play; Minimum Overs Requirement

12.7.1. To be determined by the ECS Board subject to there being a T10 Match of 2 sessions of 45 minutes each, separated by a 10 minute interval between innings.

12.8. Minimum Over Rates

12.8.1. The minimum over rate to be achieved in ECS Matches shall be 13.33 overs per hour.

12.8.2. The actual over rate shall be calculated at the end of each innings by the umpires.

12.8.3. In calculating the actual over rate for the match, allowances shall be given as follows:

12.8.3.a. The time lost as a result of treatment given to a player by an authorised medical personnel on the field of play;

12.8.3.b. The time lost as a result of a player being required to leave the field as a result of a serious injury;

12.8.3.c. The time taken for all third umpire referrals and consultations and any umpire reviews;

12.8.3.d. The time lost as a result of time wasting by the batting side; and

- 12.8.3.e.** The time lost due to all other circumstances that are beyond the control of the fielding side.
- 12.8.4.** In the event of any time allowances being granted to the fielding team under clause 12.8.3.4 above (time wasting by batting team), then such time shall be deducted from the allowances granted to such batting team in the determination of its over rate.
- 12.8.5.** In addition to the allowances as provided for above,
- 12.8.5.a.** in the case of an innings that has been reduced due to any delay or interruption in play, an additional allowance of 1 minute for every full 3 overs by which the innings is reduced will be granted.
- 12.8.5.b.** an additional allowance of 1 minute will be given for each of the 6th, 7th, 8th and 9th wickets taken during an innings.
- 12.8.6.** If a batting team is bowled out within the time determined for that innings pursuant to these playing conditions (taking into account all of the time allowances set out above), the fielding side shall be deemed to have complied with the required minimum over rate.
- 12.8.7.** The current over rate of the fielding team (+/- overs compared to the minimum rate required), to be advised by the 3rd umpire to the umpire every 15 minutes as a minimum.
- 12.8.8.** For a T10, all sides are expected to be in position to bowl the first ball of the last of their 10 overs within 40 minutes playing time. In the event of them failing to do so, the full quota of overs will be completed, and the batting side will be credited with 5 runs for every whole over that has not been bowled. This will apply to both innings of the match. If the side batting second is credited with runs in this way and this consequently takes their score to or past their victory target then the match shall be deemed to be won by the side batting second. All penalties in this regard will be imposed immediately the ball first becomes dead after the scheduled or rescheduled cessation time for the innings.

Play must not continue until the Umpires and Scorers are satisfied that the score is correctly displayed on the scoreboard.

If the innings is terminated before the scheduled or re-scheduled cut-off time, no over-rate penalty shall apply.

If the innings is interrupted, the over-rate penalty will apply based on the re-scheduled cessation time for that innings.

The Umpire shall inform the fielding team Captain when taking the field for the first time and on every subsequent occasion if play is interrupted by the weather, the scheduled cessation time for that innings. The Umpire at the bowler's end will inform the fielding Captain, the batsman and his fellow Umpire of any time allowances as and when they arise. (This matter will not be subject to retrospective negotiation). In addition, in all reduced overs matches, the fielding team will be given one over's leeway. For the avoidance of doubt, one overs leeway means that the fielding side must be in position to bowl the first ball of the penultimate over by the scheduled or rescheduled cut off time. Over-rate penalties apply only to innings of 10 overs or more duration unless a penalty has been applied before 10 overs have been bowled. In innings of less than 10 overs duration, Umpires shall apply the penalty run Laws for time wasting especially strictly.

This is the only penalty for a slow over-rate.

(For the purpose of net run-rate calculations in the Group Stage, any runs accrued through application of this clause shall be included in calculations).

13. Innings

13.1. Number of innings

13.1.1. A match shall be one innings for each side.

13.3.3. the prescribed number of overs have been bowled to the batting side.

13.4. The toss

The captains shall toss a coin for the choice of innings, on the field of play and under the supervision of the ECS Match Referee, 60 minutes before the scheduled or any rescheduled time for the start of play. Note, however, the provisions of clause 1.3 (Captain).

13.5. Decision to be notified

As soon as the toss is completed, the captain of the side winning the toss shall decide whether to bat or to field and shall notify the opposing captain and the umpires of this decision. Once notified, the decision cannot be changed.

13.6. Duration of Match

13.6.1. All matches will consist of one innings per side, each innings being limited to a maximum of 10 overs. All matches shall be of one day's scheduled duration.

13.7. Length of Innings

13.7.1. Uninterrupted Matches.

13.7.1.a. Each team shall bat for 10 overs unless all out earlier.

13.7.1.b. If the team fielding first fails to bowl the required number of overs by the scheduled time for cessation of the first innings, play shall continue until the required number of overs has been bowled. The interval shall not be extended and the second session shall commence at the scheduled time. The team batting second shall receive its full quota of 10 overs irrespective of the number of overs it bowled in the scheduled time for the cessation of the first innings.

13.7.1.c. If the team batting first is dismissed in less than 10 overs, the team batting second shall be entitled to bat for 10 overs.

13.7.1.d. If the team fielding second fails to bowl 10 overs by the scheduled cessation time, the hours of play shall be extended until the required number of overs has been bowled or a result is achieved.

13.7.1.e. Penalties shall apply for slow over rates (refer to the provision 12.8.8).

- 13.7.2.a.** Delay or Interruption to the Innings of the Team Batting First (see paragraph 1 of Appendix D)
- 13.7.2.a.1.** When playing time has been lost the revised number of overs to be bowled in the match shall be based on a rate of 13.33 overs per hour in the total remaining time available for play
 - 13.7.2.a.2.** The revision of the number of overs should ensure, whenever possible, that both teams have the opportunity of batting for the same number of overs. The team batting second shall not bat for a greater number of overs than the first team unless the latter completed its innings in less than its allocated overs. To constitute a match, a minimum of 5 overs have to be bowled to the side batting second, subject to a result not being achieved earlier.
 - 13.7.2.a.3.** As soon as the total minutes of playing time remaining is less than the completed overs faced by Team 1 multiplied by 4.50, then the first innings is terminated and the provisions of 13.7.2.2 below take effect.
 - 13.7.2.a.4.** A fixed time will be specified for the commencement of the interval, and also the close of play for the match, by applying a rate of 13.33 overs per hour. When calculating the length of playing time available for the match, or the length of either innings, the timing and duration of all relative delays, extensions in playing hours, interruptions in play, and intervals will be taken into consideration. This calculation must not cause the match to finish earlier than the original or rescheduled time for cessation of play on the final scheduled day for play. If required the original time shall be extended to allow for one extra over for each team.
 - 13.7.2.a.5.** If the team fielding first fails to bowl the revised number of overs by the specified time, play shall continue until the required number of overs have been bowled or the innings is completed.
 - 13.7.2.a.6.** If the team fielding first fails to bowl the revised number of overs by the specified time, play shall continue until the required number of overs have been bowled or the innings is completed.
- 13.7.2.b.** Delay or Interruption to the innings of the Team Batting Second (see paragraph 2 of Appendix D)
- 13.7.2.b.1.** When playing time has been lost and, as a result, it is not possible for the team batting second to have the opportunity of receiving its allocated, or revised allocation of overs in the playing time available, the number of overs shall be reduced at a rate of 13.33 overs per hour in respect of the lost playing time. Should the calculations result in a fraction of an over the fraction shall be ignored
 - 13.7.2.b.2.** In addition, should the innings of the team batting first have been completed prior to the scheduled, or re-scheduled time for the commencement of the interval, then any calculation relating to the revision of overs shall not be effective until an amount of time equivalent to that by which the second innings started early has elapsed.
 - 13.7.2.b.3.** To constitute a match, a minimum of 5 overs have to be bowled to the team batting second subject to a result not being achieved earlier.
 - 13.7.2.b.4.** The team batting second shall not bat for a greater number of overs than the first team unless the latter completed its innings in less than its allocated overs.

- 13.7.2.b.5.** A fixed time will be specified for the close of play by applying a rate of 14.11 overs per hour. The timing and duration of all relative delays, extensions in playing hours and interruptions in play will be taken into consideration in specifying this time.
- 13.7.2.b.6.** If the team fielding second fails to bowl the revised overs by the scheduled or rescheduled close of play, the hours of play shall be extended until the overs have been bowled or a result achieved.
- 13.7.2.b.7.** 13.7.2.2.7 Penalties shall apply for slow over rates (refer to the provision 12.8.8).

13.8. Extra Time

There shall be no extra time provided where the start of play is delayed or play is suspended.

13.9. Number of Overs per Bowler

- 13.9.1.** No bowler shall bowl more than 2 overs in an innings.
- 13.9.2.** In a delayed or interrupted match where the overs are reduced for both teams or for the team bowling second;
 - 13.9.2.a.** for innings of rescheduled length of at least 10 overs, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs is not divisible by 5, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.
 - 13.9.2.b.** for innings of rescheduled length of between 5 and 9 overs, no bowler may bowl more than two overs.
- 13.9.3.** In the event of a bowler breaking down and being unable to complete an over, the remaining balls will be allowed by another bowler. Such part of an over will count as a full over only in so far as each bowler's limit is concerned.

14. The Follow-On

Shall Not apply

15. Declaration and forfeiture

Shall not apply

16. The Result

16.1. A win

- 16.1.1.** The side which has scored in its one innings a total of runs in excess of that scored by the opposing side in its one completed innings shall win the match. See clause 13.3 (Completed innings). Note also clause 16.4 (Winning hit or extras).
- 16.1.2.** Save for circumstances where a match is awarded to a team as a consequence of the opposing team's refusal to play (Clause 16.2), a result can be achieved only if both teams have had the opportunity of batting for at least 5 overs, unless one team has been all out in less than 5 overs or unless the team batting second scores enough runs to win in less than 5 overs.
- 16.1.3.** Save for circumstances where a match is awarded to a team as a consequence of the opposing team's refusal to play (Clause 16.2), all matches in which both teams have not had an opportunity of batting for a minimum of 5 overs, shall be declared a No Result.

16.2. ECS Match Referee awarding a match

- 16.2.1.** A match shall be lost by a side which either
 - 16.2.1.a.** concedes defeat or
 - 16.2.1.b.** in the opinion of the ECS Match Referee refuses to play and the ECS Match Referee shall award the match to the other side or
 - 16.2.1.c.** If there are fewer than 8 players from the listed playing XI, nominated by the captain at the coin toss, who are available at the start of the match
- 16.2.2.** If an umpire considers that an action by any player or players might constitute a refusal by either side to play then the umpires together shall inform the ECS Match Referee of this fact. The ECS Match Referee shall together with the umpires ascertain the cause of the action. If the ECS Match Referee, after due consultation with the umpires, then decides that this action does constitute a refusal to play by one side, he/she shall inform the captain of that side. If the captain persists in the action the ECS Match Referee shall award the match in accordance with clause 16.2.1.2 above.
- 16.2.3.** If action as in clause 16.2.2 above takes place after play has started and does not constitute a refusal to play the delay or interruption in play shall be dealt with in the same manner as provided for in clauses 13.7.2 (Delayed and Interrupted Matches) and 11.4 (Changing agreed times for intervals) above.

Note: In addition to the consequences of any refusal to play prescribed under this clause, any such refusal, whether temporary or final, may result in disciplinary action being taken against the captain and team responsible under the NF Code of Conduct.

16.3. All other matches - a Tie or No Result

16.3.1. A Tie

In the event of a tie, when all innings have been completed and the scores are equal, then a Golden Ball tie-breaker shall be enforced. Refer to Appendix F.

16.3.2. No Result - See 16.1.3 above.

16.4. Prematurely Terminated Matches - Calculation of the Target Score

16.4.1. Interrupted Matches – Calculation of the Target Score

16.4.1.a. If, due to suspension of play after the start of the match, the number of overs in the innings of either team has to be revised to a lesser number than originally allotted (minimum of 5 overs), then a revised target score (to win) should be set for the number of overs which the team batting second will have the opportunity of facing. This revised target is to be calculated using the current Duckworth/Lewis method. The target set will always be a whole number and one run less will constitute a Tie. (Refer Duckworth/Lewis Regulations)

16.4.2. Prematurely Terminated Matches

16.4.2.a. If the innings of the side batting second is suspended (with at least 5 overs bowled) and it is not possible for the match to be resumed, the match will be decided by comparison with the DLS 'Par Score' determined at the instant of the suspension by the Duckworth/Lewis method (refer Duckworth/Lewis Regulations). If the score is equal to the par score, the match is a Tie. Otherwise the result is a victory, or defeat, by the margin of runs by which the score exceeds, or falls short of, the Par Score.

16.5. Winning hit or extras

16.5.1. As soon as a result is reached as defined in clauses 16.1, 16.2 or 16.3.1, the match is at an end. Nothing that happens thereafter, except as in clause 41.18.2 (Penalty runs), shall be regarded as part of it. Note also clause 16.8.

16.5.2. The side batting last will have scored enough runs to win only if its total of runs is sufficient without including any runs completed by the batsmen before the completion of a catch, or the obstruction of a catch, from which the striker could be dismissed.

16.5.3. If a boundary is scored before the batsmen have completed sufficient runs to win the match, the whole of the boundary allowance shall be credited to the side's total and, in the case of a hit by the bat, to the striker's score.

16.6. Statement of results

If the side batting last wins the match without losing all its wickets, the result shall be stated as a win by the number of wickets still then to fall.

If, without having scored a total of runs in excess of the total scored by the opposing side, the side batting last has lost all its wickets, but as the result of an award of 5 Penalty runs its total of runs is then sufficient to win, the result shall be stated as a win to that side by Penalty runs. If the side fielding last wins the match, the result shall be stated as a win by runs. If the match is decided by one side conceding defeat or refusing to play, the result shall be stated as Match Conceded or Match Awarded, as the case may be.

16.7. Correctness of results

Any decision as to the correctness of the scores shall be the responsibility of the umpires. See clause 2.15 (Correctness of scores).

16.8. Mistakes in Scoring

If, after the players and umpires have left the field in the belief that the match has been concluded, the umpires discover that a mistake in scoring has occurred which affects the result then, subject to clause 16.9, they shall adopt the following procedure.

16.8.1. If, when the players leave the field, the side batting last has not completed its innings and, either the number of overs to be bowled in that innings has not been completed, or the end of the innings has not been reached then, unless one side concedes defeat, the umpires shall order play to resume.

Unless a result is reached sooner, play will then continue, if conditions permit, until the prescribed number of overs has been completed. The number of overs shall be taken as they were at the call of Time for the supposed conclusion of the match. No account shall be taken of the time between that moment and the resumption of play.

16.8.2. If, at this call of Time, the overs have been completed and no Playing time remains, or if the side batting last has completed its innings, the umpires shall immediately inform both captains of the necessary corrections to the scores and to the result.

16.9. Result not to be changed

Once the umpires have agreed with the scorers the correctness of the scores at the conclusion of the match – see clauses 2.15 (Correctness of scores) and 3.2 (Correctness of scores) – the result cannot thereafter be changed.

16.10. Competition Format

16.10.1. The ECS will be played as a Round-robin tournament with a Finals system. The definitive fixtures and structure of the tournament finals shall be determined by the ECS board, at least one week before the tournament and shared with the relevant National Federation organising committee.

16.10.2. Points Allocation for the group matches will be:

2 Points for a win

1 Point for a tie or no result or abandoned

0 Points for a loss

16.10.3. At the completion of the Round-robin, the Teams are ranked based on their cumulative Match points, and identified respectively as first, second, third, fourth, fifth, sixth, etc. If there are teams on equal points at the end of the Round-robin stage, their position will be ordered according to

1. Their net run rate.

2. If two teams have exactly the same amount of points and also the same net run rate at the end of the Round-robin, the winner of the match the two tied teams played each other shall be the higher ranked.

3. Should the match between the two tied teams have been a tie or no result, then the team that lost the least amount of wickets in during Round-robin matches shall be higher ranked.

4. Should the two tied teams have lost the same amount of wickets during the Round-robin matches, then the team who scored the most runs shall be higher ranked.

5. Should the two tied teams have scored the same amount of runs then the position will be shared between those two tied teams.

- 16.10.4.** For clarification, in the case of a tie between three or more Teams at the end of the Group Stage, once the highest ranked Team has been determined following the above criteria, to determine the next higher ranked Team the process would repeat, starting at criterion 1.
- 16.10.5.** If the result of a match is a tie during the Round-robin Stage a Golden Ball shall be played. Refer to 16.3.1 and Appendix F
- 16.10.6.** In the event of a knock-out match being tied the teams shall play a Golden Ball to determine the winner. Refer to Appendix F. If following a tie, weather conditions prevent the Golden Ball from being completed, or if the match is a no result or abandoned, the progression or order of finishing will be determined by the team's performances in the Group stage as follows: Group standing, most points, most wins, highest net run rate.

If still equal, any teams that cannot be separated in this way this will be done by drawing lots.

Please note in a match declared as no result, run rate is not applicable.

16.10.7. Net Run Rate

A team's net run rate is calculated by deducting from the average runs per over scored by that team throughout the competition, the average runs per over scored against that team throughout the competition.

In the event of a team being all out in less than its full quota of overs, the calculation of its net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.

Only those matches where results are achieved will count for the purpose of net run rate calculations. Where a match is abandoned, but a result is achieved under Duckworth/Lewis, for net run rate purposes Team 1 will be credited with Team 2's Par Score on abandonment off the same number of overs faced by Team 2. Where a match is concluded with Duckworth/Lewis having been applied at an earlier point in the match, Team 1 will be credited with 1 run less than the final Target Score for Team 2 off the total number of overs allocated to Team 2 to reach the target.

In circumstances where a match (and the points for such match) is awarded to a team as a result of the other team's refusal to play, either by the match referee in accordance with playing condition 16.2 or in accordance with the provisions of the relevant event agreements signed by the participating teams, the net run rate of the defaulting team shall be affected in that the full 10 overs of the defaulting team's innings in such forfeited match shall be taken into account in calculating the average runs per over of the defaulting team over the course of the relevant portion of the competition. For the avoidance of doubt the runs scored and overs bowled in such forfeited match will not be taken into account when calculating the net run rate of the team to whom the match was awarded.

16.10.8. In circumstances where a match (and the points for such match) is awarded to a team as a result of the other team's refusal to play, either by the match referee in accordance with playing condition 16.2 or in accordance with the provisions of the relevant event agreements signed by the participating teams, the net run rate of the defaulting team shall be affected in that the full 10 overs of the defaulting team's innings in such forfeited match shall be taken into account in calculating the average runs per over of the defaulting team over the course of the relevant portion of the competition. For the avoidance of doubt the runs scored and overs bowled in such forfeited match will not be taken into account when calculating the net run rate of the team to whom the match was awarded.

16.10.9. In the event of any dispute the ECS Board maybe called on to make a ruling and its ruling will be final.

17. The Over

17.1. Number of balls

The ball shall be bowled from one end only, in overs of 6 balls.

17.2. Start of an over

An over has started when the bowler starts his run-up or, if there is no run-up, starts his action for the first delivery of that over.

17.3. Validity of balls

17.3.1. A ball shall not count as one of the 6 balls of the over unless it is delivered, even though, as in clause 41.16 (Non-striker leaving his ground early) a batsman may be dismissed or some other incident occurs without the ball having been delivered.

17.3.2. A ball delivered by the bowler shall not count as one of the 6 balls of the over

17.3.2.a. if it is called dead, or is to be considered dead, before the striker has had an opportunity to play it. See clause 20.6 (Dead ball; ball counting as one of over).

17.3.2.b. if it is called dead in the circumstances of clause 20.4.2.6. Note also the special provisions of clause 20.4.2.5. (Umpire calling and signalling Dead ball).

17.3.2.c. if it is a No ball. See clause 21 (No ball).

17.3.2.d. if it is a Wide. See clause 22 (Wide ball).

17.3.2.e. when any of clauses 24.4 (Player returning without permission), 28.2 (Fielding the ball), 41.4 (Deliberate attempt to distract striker), or 41.5 (Deliberate distraction, deception or obstruction of batsman) is applied.

17.3.3. Any deliveries other than those listed in clause 17.3.1 and 17.3.2 shall be known as valid balls. Only valid balls shall count towards the 6 balls of the over.

17.4. Call of Over

When 6 valid balls have been bowled and when the ball becomes dead, the umpire shall call Over before leaving the wicket. See also clause 20.3 (Call of Over or Time).

17.5. Umpire miscounting

17.5.1. If the umpire miscounts the number of valid balls, the over as counted by the umpire shall stand.

17.5.2. If, having miscounted, the umpire allows an over to continue after 6 valid balls have been bowled, he/she may subsequently call Over when the ball becomes dead after any delivery, even if that delivery is not a valid ball.

17.5.3. Whenever possible, the third umpire shall liaise with the scorers and if possible inform the on-field umpires if the over has been miscounted.

17.6. Finishing an over

17.6.1. Other than at the end of an innings, a bowler shall finish an over in progress unless incapacitated or suspended under these Playing Conditions.

17.6.2. If for any reason, other than the end of an innings, an over is left uncompleted at the start of an interval or interruption, it shall be completed on resumption of play.

17.7. Bowler incapacitated or suspended during an over

If for any reason a bowler is incapacitated while running up to deliver the first ball of an over, or is incapacitated or suspended during an over, the umpire shall call and signal Dead ball. Another bowler shall complete the over from the same end, provided that he does not bowl two overs consecutively, nor bowl parts of each of two consecutive overs, in that innings.

18. Scoring Runs

18.1. A Run

The score shall be reckoned by runs. A run is scored;

- 18.1.1. so often as the batsmen, at any time while the ball is in play, have crossed and made good their ground from end to end.
- 18.1.2. when a boundary is scored. See clause 19 (Boundaries).
- 18.1.3. when Penalty runs are awarded. See clause 18.6.

18.2. Runs disallowed

Wherever in these Playing Conditions provision is made for the scoring of runs or awarding of penalties, such runs and penalties will be subject to any provisions that may be applicable for the disallowance of runs or for the non-award of penalties.

When runs are disallowed, the one run penalty for No ball or Wide shall stand and 5 run penalties shall be allowed, except for Penalty runs under clause 28.3 (Protective helmets belonging to the fielding side).

18.3. Short runs

- 18.3.1. A run is short if a batsman fails to make good his ground in turning for a further run.
- 18.3.2. Although a short run shortens the succeeding one, the latter if completed shall not be regarded as short. A striker setting off for the first run from in front of the popping crease may do so also without penalty.

18.4. Unintentional short runs

Except in the circumstances of clause 18.5,

- 18.4.1. If either batsman runs a short run, the umpire concerned shall, unless a boundary is scored, call and signal Short run as soon as the ball becomes dead and that run shall not be scored.
- 18.4.2. if, after either or both batsmen run short, a boundary is scored the umpire concerned shall disregard the short running and shall not call or signal Short run.
- 18.4.3. if both batsmen run short in one and the same run, this shall be regarded as only one short run.
- 18.4.4. if more than one run is short then, subject to clauses 18.4.2 and 18.4.3, all runs called as short shall not be scored.
- 18.4.5. if there has been more than one short run, the umpire shall inform the scorers as to the number of runs to be recorded.

18.5. Deliberate short runs

- 18.5.1. If either umpire considers that one or both batsmen deliberately ran short at that umpire's end, the umpire concerned shall, when the ball is dead, call and signal Short run and inform the other umpire of what has occurred and apply clause 18.5.2.
- 18.5.2. The bowler's end umpire shall
 - disallow all runs to the batting side
 - return any not out batsman to his original end
 - signal No ball or Wide to the scorers, if applicable
 - award 5 Penalty runs to the fielding side
 - award any other 5-run Penalty that is applicable except for Penalty runs under clause 28.3 (Protective helmets belonging to the fielding side)
 - inform the scorers as to the number of runs to be recorded, and

– inform the captain of the fielding side and, as soon as practicable, the captain of the batting side of the reason for this action.

18.6. Runs awarded for penalties

Runs shall be awarded for penalties under clause 18.5 (Deliberate short runs), 24.4 (Player returning without permission), 26.4 (Penalties for contravention), 21 (No ball), 22 (Wide ball), 28.2 (Fielding the ball), 28.3 (Protective helmets belonging to the fielding side) 41 (Unfair play) and 42 (Players' conduct).

Note, however, the restrictions on the award of Penalty runs in clauses 23.3 (Leg byes not to be awarded), 28.3 (Protective helmets belonging to the fielding side) and 34 (Hit the ball twice).

18.7. Runs scored for boundaries

Runs shall be scored for boundary allowances under clause 19 (Boundaries)

18.8. Runs scored when a batsman is dismissed

When a batsman is dismissed, any runs for penalties awarded to either side shall stand. No other runs shall be credited to the batting side, except as follows.

18.8.1. If a batsman is dismissed Obstructing the field, the batting side shall also score any runs completed before the offence. If, however, the obstruction prevented a catch being made, no runs other than penalties shall be scored.

18.8.2. If a batsman is dismissed Run out, the batting side shall also score any runs completed before the wicket was put down.

18.9. Runs scored when the ball becomes dead other than at the fall of a wicket

When the ball becomes dead for any reason other than the fall of a wicket, or is called dead by an umpire, unless there is specific provision otherwise in these Playing Conditions, any runs for penalties awarded to either side shall be scored. Note however the provisions of clauses 23.3 (Leg byes not to be awarded) and 28.3 (Protective helmets belonging to the fielding side).

Additionally the batting side shall be credited with all runs completed by the batsmen before the incident or call of Dead ball and the run in progress if the batsmen had already crossed at the instant of the incident or call of Dead ball. Note specifically, however, the provisions of clause 41.5.8 (Deliberate distraction, deception or obstruction of batsman).

18.10. Crediting of runs scored

Unless stated otherwise in these Playing Conditions,

18.10.1. if the ball is struck by the bat, all runs scored by the batting side shall be credited to the striker, except for the following:

- an award of 5 Penalty runs, which shall be scored as Penalty runs
- the one run penalty for a No ball, which shall be scored as a No balls extra.

18.10.2. if the ball is not struck by the bat, runs shall be scored as Penalty runs, Byes, Leg byes, No ball extras or Wides as the case may be. If Byes or Leg byes accrue from a No ball, only the one run penalty for No ball shall be scored as such, and the remainder as Byes or Leg byes as appropriate.

- 18.10.3.** the bowler shall be debited with:
- all runs scored by the striker
 - all runs scored as No ball extras
 - all runs scored as Wides.

18.11. Batsman returning to original end

18.11.1. When the striker is dismissed in any of the circumstances in clauses 18.11.1.1 to 18.11.1.5, the not out batsman shall return to his original end.

18.11.1.a. Bowled.

18.11.1.b. Stumped.

18.11.1.c. Hit the ball twice.

18.11.1.d. LBW.

18.11.1.e. Hit wicket.

18.11.2. The batsmen shall return to their original ends in any of the cases of clauses 18.11.2.1 to 18.11.2.3.

18.11.2.a. A boundary is scored.

18.11.2.b. Runs are disallowed for any reason.

18.11.2.c. A decision by the batsmen at the wicket to do so, under clause 41.5 (Deliberate distraction, deception or obstruction of batsman).

18.12. Batsman returning to wicket he has left

18.12.1. When a batsman is dismissed in any of the ways in clauses 18.12.1.1 to 18.12.1.3, the not out batsman shall return to the wicket he has left but only if the batsmen had not already crossed at the instant of the incident causing the dismissal. If runs are to be disallowed, however, the not out batsman shall return to his original end.

18.12.1.a. Caught.

18.12.1.b. Obstructing the field.

18.12.1.c. Run out.

18.12.2. If, while a run is in progress, the ball becomes dead for any reason other than the dismissal of a batsman, the batsmen shall return to the wickets they had left, but only if they had not already crossed in running when the ball became dead. If, however, any of the circumstances of

clauses 18.11.2.1 to 18.11.2.3 apply, the batsmen shall return to their original ends.

19. Boundaries

19.1. Determining the boundary of the field of play

- 19.1.1. Before the toss, the umpires shall determine the boundary of the field of play, which shall be fixed for the duration of the match. See clause 2.3.4 (Consultation with ECS Board).
- 19.1.2. The boundary shall be determined such that no part of any sight- screen, will, at any stage of the match, be within the field of play.
- 19.1.3. With respect to the size of the boundaries, no boundary should be longer than 60 meters, and no boundary should be shorter than 50 metres from the centre of the pitch to be used.
- 19.1.4. At all times, there must be 3 yards (2.74 meters) from the boundary rope to the first solid object (advertising boards/LEDs, photographers, cameramen, dug outs, covers, perimeter fence) for the player's safety run off.

19.2. Identifying and marking the boundary

- 19.2.1. All boundaries must be designated by a rope, or similar object of a minimum standard as authorised by the ECN from time to time.
- 19.2.2. If the boundary is marked by means of an object that is in contact with the ground the boundary will be the edge of the grounded part of the object which is nearest the pitch.
- 19.2.3. An obstacle within the field of play shall not be regarded as a boundary unless so determined by the umpires before the toss. See clause 2.3.4 (Consultation with National Federation Board).
- 19.2.4. If an unauthorised person enters the playing arena and handles the ball, the umpire at the bowler's end shall be the sole judge of whether the boundary allowance should be scored or the ball be treated as still in play or called dead ball if a batsman is liable to be out as a result of the unauthorised person handling the ball.

19.3. Restoring the boundary

If a solid object used to mark the boundary is disturbed for any reason, then:

- 19.3.1. the boundary shall be considered to be in its original position.
- 19.3.2. the object shall be returned to its original position as soon as is practicable; if play is taking place, this shall be as soon as the ball is dead.
- 19.3.3. if some part of a fence or other marker has come within the field of play, that part shall be removed from the field of play as soon as is practicable; if play is taking place, this shall be as soon as the ball is dead.

19.4. Ball grounded beyond the boundary

- 19.4.1. The ball in play is grounded beyond the boundary if it touches
 - the boundary or any part of an object used to mark the boundary;
 - the ground beyond the boundary;
 - any object that is grounded beyond the boundary.
- 19.4.2. The ball in play is to be regarded as being grounded beyond the boundary if
 - a fielder, grounded beyond the boundary as in clause 19.5, touches the ball;
 - a fielder, after catching the ball within the boundary, becomes grounded beyond the boundary while in contact with the ball, before completing the catch.

19.5. Fielder grounded beyond the boundary

19.5.1. A fielder is grounded beyond the boundary if some part of his person is in contact with any of the following:

- the boundary or any part of an object used to mark the boundary;
- the ground beyond the boundary;
- any object that is in contact with the ground beyond the boundary;
- another fielder who is grounded beyond the boundary.

19.5.2. A fielder who is not in contact with the ground is considered to be grounded beyond the boundary if his final contact with the ground, before his first contact with the ball after it has been delivered by the bowler, was not entirely within the boundary.

19.6. Boundary allowances

19.6.1. 6 runs shall be allowed for a boundary 6; and 4 runs for a boundary 4. See also clause 19.7.

19.7. Runs scored from boundaries

19.7.1. A boundary 6 will be scored if and only if the ball has been struck by the bat and is first grounded beyond the boundary without having been in contact with the ground within the field of play. This shall apply even if the ball has previously touched a fielder.

19.7.2. A boundary 4 will be scored when a ball that is grounded beyond the boundary

- whether struck by the bat or not, was first grounded within the boundary, or
- has not been struck by the bat.

19.7.3. When a boundary is scored, the batting side, except in the circumstances of clause 19.8, shall be awarded whichever is the greater of

19.7.3.a. the allowance for the boundary

19.7.3.b. the runs completed by the batsmen together with the run in progress if they had already crossed at the instant the boundary is scored.

19.7.4. When the runs in clause 19.7.3.2 exceed the boundary allowance they shall replace the boundary allowance for the purposes of clause 18.12.

19.7.5. The scoring of Penalty runs by either side is not affected by the scoring of a boundary.

19.8. Overthrow or wilful act of fielder

If the boundary results from an overthrow or from the wilful act of a fielder, the runs scored shall be any runs for penalties awarded to either side and the allowance for the boundary and the runs completed by the batsmen, together with the run in progress if they had already crossed at the instant of the throw or act.

Clause 18.12.2 (Batsman returning to wicket he has left) shall apply as from the instant of the throw or act.

20. Dead Ball

20.1. Ball is dead

- 20.1.1.** The ball becomes dead when
- 20.1.1.a.** it is finally settled in the hands of the wicket-keeper or of the bowler.
 - 20.1.1.b.** a boundary is scored. See clause 19.7 (Runs scored from boundaries).
 - 20.1.1.c.** a batsman is dismissed. The ball will be deemed to be dead from the instant of the incident causing the dismissal.
 - 20.1.1.d.** whether played or not it becomes trapped between the bat and person of a batsman or between items of his clothing or equipment.
 - 20.1.1.e.** whether played or not it lodges in the clothing or equipment of a batsman or the clothing of an umpire.
 - 20.1.1.f.** there is an award of Penalty runs under either of clauses 24.4 (Player returning without permission) or 28.2 (Fielding the ball). The ball shall not count as one of the over.
 - 20.1.1.g.** there is a contravention of clause 28.3 (Protective helmets belonging to the fielding side).
 - 20.1.1.h.** the match is concluded in any of the ways stated in clause 12.6 (Conclusion of match).
- 20.1.2.** The ball shall be considered to be dead when it is clear to the bowler's end umpire that the fielding side and both batsmen at the wicket have ceased to regard it as in play.
- 20.1.3.** In a match where cameras are being used on or over the field of play (e.g. Spidercam), should a ball that has been hit by the batsman make contact, while still in play, with the camera, its apparatus or its cable, either umpire shall call and signal 'dead ball'. The ball shall not count as one of the over and no runs shall be scored. If the delivery was called a No ball it shall count and the No ball penalty shall be applied. No other runs (including penalty runs) apart from the No ball penalty shall be scored.
- 20.1.4.** Should a ball thrown by a fielder make contact with a camera on or over the field of play, its apparatus or its cable, either umpire shall call and signal dead ball. Unless this was already a No ball or Wide, the ball shall count as one of the over. All runs scored to that point shall count, plus the run in progress if the batsmen have already crossed.
- 20.1.5.** Refer also to paragraph 2.6 of Appendix D.

20.2. Ball finally settled

Whether the ball is finally settled or not is a matter for the umpire alone to decide.

20.3. Call of Over or Time

Neither the call of Over (see clause 17.4), nor the call of Time (see clause 12.2) is to be made until the ball is dead, either under clauses 20.1 or 20.4.

20.4. Umpire calling and signalling Dead ball

- 20.4.1.** When the ball has become dead under clause 20.1, the bowler's end umpire may call and signal Dead ball if it is necessary to inform the players.
- 20.4.2.** Either umpire shall call and signal Dead ball when
- 20.4.2.a.** intervening in a case of unfair play.
 - 20.4.2.b.** a possibly serious injury to a player or umpire occurs.
 - 20.4.2.c.** leaving his/her normal position for consultation.

- 20.4.2.d.** one or both bails fall from the striker's wicket before the striker has had the opportunity of playing the ball.
 - 20.4.2.e.** the striker is not ready for the delivery of the ball and, if the ball is delivered, makes no attempt to play it. Provided the umpire is satisfied that the striker had adequate reason for not being ready, the ball shall not count as one of the over.
 - 20.4.2.f.** the striker is distracted by any noise or movement or in any other way while preparing to receive, or receiving a delivery. This shall apply whether the source of the distraction is within the match or outside it. Note also clause 20.4.2.7. The ball shall not count as one of the over.
 - 20.4.2.g.** there is an instance of a deliberate attempt to distract under either of clauses 41.4 (Deliberate attempt to distract striker) or 41.5 (Deliberate distraction, deception or obstruction of batsman). The ball shall not count as one of the over.
 - 20.4.2.h.** the bowler drops the ball accidentally before delivery.
 - 20.4.2.i.** the ball does not leave the bowler's hand for any reason other than an attempt to run out the non-striker under clause 41.16 (Non-striker leaving his ground early).
 - 20.4.2.j.** satisfied that the ball in play cannot be recovered.
 - 20.4.2.k.** required to do so under any of the Playing Conditions not included above.
- 20.5. Ball ceases to be dead**
The ball ceases to be dead – that is, it comes into play – when the bowler starts his run-up or, if there is no run-up, starts his bowling action.
- 20.6. Dead ball; ball counting as one over**
- 20.6.1.** When a ball which has been delivered is called dead or is to be considered dead then, other than as in clause 20.6.2,
 - 20.6.1.a.** it will not count in the over if the striker has not had an opportunity to play it.
 - 20.6.1.b.** unless No ball or Wide ball has been called, it will be a valid ball if the striker has had an opportunity to play it, except in the circumstances of clauses 20.4.2.6 and 24.4 (Player returning without permission), 28.2 (Fielding the ball), 41.4 (Deliberate attempt to distract striker) and 41.5 (Deliberate distraction, deception or obstruction of batsman).
 - 20.6.2.** In clause 20.4.2.5, the ball will not count in the over only if both conditions of not attempting to play the ball and having an adequate reason for not being ready are met. Otherwise the delivery will be a valid ball.

21. No Ball

21.1. Mode of delivery

- 21.1.1.** The umpire shall ascertain whether the bowler intends to bowl right handed or left handed, over or round the wicket, and shall so inform the striker. It is unfair if the bowler fails to notify the umpire of a change in his mode of delivery. In this case the umpire shall call and signal No ball.
- 21.1.2.** Underarm bowling shall not be permitted.

21.2. Fair Delivery - the arm

For a delivery to be fair in respect of the arm the ball must not be thrown.

A ball is fairly delivered in respect of the arm if, once the bowler's arm has reached the level of the shoulder in the delivery swing, the elbow joint is not straightened partially or completely from that instant until the ball has left the hand. This definition shall not debar a bowler from flexing or rotating the wrist in the delivery swing.

Although it is the primary responsibility of the striker's end umpire to assess the fairness of a delivery in this respect, there is nothing in this Law to debar the bowler's end umpire from calling and signalling No ball if he/she considers that the ball has been thrown.

21.3. Ball thrown or delivered underarm - action by umpires

- 21.3.1.** If, in the opinion of either umpire, the ball has been thrown (where such mode of delivery does not correspond to the bowler's normal bowling action) or delivered underarm, he/she shall call and signal No ball and, when the ball is dead, inform the other umpire of the reason for the call. The bowler's end umpire shall then
- warn the bowler, indicating that this is a first and final warning. This warning shall apply to that bowler throughout the innings.
 - inform the captain of the fielding side of the reason for this action.
 - inform the batsmen at the wicket of what has occurred.
- 21.3.2.** If either umpire considers that, in that innings, a further delivery by the same bowler is thrown (where such mode of delivery does not correspond to the bowler's normal bowling action) or delivered underarm, he/she shall call and signal No ball and when the ball is dead inform the other umpire of the reason for the call. The bowler's end umpire shall then
- direct the captain of the fielding side to suspend the bowler immediately from bowling. The over shall, if applicable, be completed by another bowler, who shall neither have bowled the previous over or part thereof nor be allowed to bowl any part of the next over. The bowler thus suspended shall not bowl again in that innings.
 - inform the batsmen at the wicket and, as soon as practicable, the captain of the batting side of the reason for this action.
- 21.3.3.** The umpires together shall report the occurrence as soon as possible after the match to the ECS Match Referee, who shall take such action as is considered appropriate against the bowler concerned.

21.4. Bowler throwing towards striker's end before delivery

If the bowler throws the ball towards the striker's end before entering the delivery stride, either umpire shall call and signal No ball. See clause 41.17 (Batsmen stealing a run).

However, the procedure stated in clause 21.3 of caution, informing, final warning, action against the bowler and reporting shall not apply.

21.5. Fair delivery - the feet

For a delivery to be fair in respect of the feet, in the delivery stride

21.5.1. the bowler's back foot must land within and not touching the return crease appertaining to his stated mode of delivery.

21.5.2. the bowler's front foot must land with some part of the foot, whether grounded or raised

- on the same side of the imaginary line joining the two middle stumps as the return crease described in clause 21.5.1, and
- behind the popping crease.

If the bowler's end umpire is satisfied that any of these three conditions have not been met, he/she shall call and signal No ball. See clause 41.8 (Bowling of deliberate front foot No ball).

21.6. Bowler breaking wicket in delivering ball

Either umpire shall call and signal No ball if, other than in an attempt to run out the non-striker under clause 41.16, the bowler breaks the wicket at any time after the ball comes into play and before completion of the stride after the delivery stride. This shall include any clothing or other object that falls from his person and breaks the wicket.

21.7. Ball bouncing more than once, rolling along the ground or pitching off the pitch

The umpire shall call and signal No ball if a ball which he/she considers to have been delivered, without having previously touched bat or person of the striker,

- bounces more than once.
- or rolls along the ground before it reaches the popping crease.
- or pitches wholly or partially off the pitch as defined in clause 6.1 (Area of pitch) before it reaches the line of the striker's wicket.

21.8. Ball coming to rest in front of striker's wicket

If a ball delivered by the bowler comes to rest in front of the line of the striker's wicket, without having previously touched the bat or person of the striker, the umpire shall call and signal No ball and immediately call and signal Dead ball.

21.9. Fielder intercepting a delivery

If, except in the circumstances of clause 27.3 (Position of wicket-keeper) a ball delivered by the bowler, makes contact with any part of a fielder's person before it either makes contact with the striker's bat or person, or it passes the striker's wicket, the umpire shall call and signal No ball and immediately call and signal Dead ball.

21.10. Ball bouncing over head height of striker

See clauses 22.1.1.2 and 41.6.1.7.

21.11. Call of No ball for infringement of other Playing Conditions

In addition to the instances above, No ball is to be called and signalled as required by the following clauses:

Clause 27.3 – Position of wicket-keeper.

Clause 28.4 – Limitation of on side fielders. Clause 28.5 – Fielders not to encroach on pitch. Clause 41.6 – Bowling of dangerous and unfair short pitched deliveries.

Clause 41.7 – Bowling of dangerous and unfair non-pitching deliveries.

Clause 41.8 – Bowling of deliberate front foot No ball.

21.12. Revoking a call of No ball

An umpire shall revoke the call of No ball if Dead ball is called under any of clauses 20.4.2.4 to 20.4.2.9 (Umpire calling and signalling Dead ball). However, if a no ball is called in breach of clause 20.4.2.7 (41.4 - Deliberate attempt to distract striker before playing the ball or 41.5 – Deliberate attempt of Distraction, Deception or Obstruction of striker after the stroke) the No ball will stand.

21.13. No ball to override Wide

A call of No ball shall override the call of Wide ball at any time. See clauses 22.1(Judging a Wide) and 22.2 (Call and signal of Wide ball).

21.14. Ball not dead

The ball does not become dead on the call of No ball.

21.15. Penalty for a No ball

A penalty of one run shall be awarded instantly on the call of No ball. Unless the call is revoked, the penalty shall stand even if a batsman is dismissed. It shall be in addition to any other runs scored, any boundary allowance and any other runs awarded for penalties.

21.16. Runs resulting from a No ball – how scored

The one run penalty shall be scored as a No ball extra and shall be debited against the bowler. If other Penalty runs have been awarded to either side these shall be scored as stated in clause 41.18 (Penalty runs). Any runs completed by the batsmen or any boundary allowance shall be credited to the striker if the ball has been struck by the bat; otherwise they shall also be scored as Byes or Leg byes as appropriate.

21.17. No ball not to count

A No ball shall not count as one of the over. See clause 17.3 (Validity of balls).

21.18. Out from a No ball

When No ball has been called, neither batsman shall be out under any of the Playing Conditions except clause 34 (Hit the ball twice), clause 37 (Obstructing the field) or clause 38 (Run out).

21.19. Free Hit

21.19.1. In addition to the above, the delivery following a No ball called (all modes of No ball) shall be a free hit for whichever batsman is facing it. If the delivery for the free hit is not a legitimate delivery (any kind of No ball or a Wide) then the next delivery will become a free hit for whichever batsman is facing it.

21.19.2. For any free hit, the striker can be dismissed only under the circumstances that apply for a No ball, even if the delivery for the free hit is called Wide.

21.19.3. Neither field changes nor the exchange of individuals between fielding positions are permitted for free hit deliveries unless:

- 21.19.3.a.** There is a change of striker (the provisions of clause 41.2 shall apply), or
21.19.3.b. The No ball was the result of a fielding restriction breach, in which case the field may be changed to the extent of correcting the breach.
- 21.19.4.** For clarity, the bowler can change his mode of delivery for the free hit delivery. In such circumstances Clause 21.1 shall apply.
- 21.19.5.** The umpires will signal a free hit by (after the normal No ball signal) extending one arm straight upwards and moving it in a circular motion.

22. Wide Ball

22.1. Judging a wide

22.1.1. If the bowler bowls a ball, not being a No ball, the umpire shall adjudge it a Wide if, according to the definition in clause 22.1.2

22.1.1.a. the ball passes wide of where the striker is standing and which also would have passed wide of the striker standing in a normal guard position

22.1.1.b. the ball passes above the head height of the striker standing upright at the popping crease.

22.1.2. The ball will be considered as passing wide of the striker unless it is sufficiently within reach for him to be able to hit it with the bat by means of a normal cricket stroke.

22.1.3. Umpires are instructed to apply very strict and consistent interpretation in regard to this clause in order to prevent negative bowling wide of the wicket.

22.2. Call and signal of Wide ball

If the umpire adjudges a delivery to be a Wide he/she shall call and signal Wide ball as soon as the ball passes the striker's wicket. It shall, however, be considered to have been a Wide from the instant that the bowler entered his delivery stride, even though it cannot be called Wide until it passes the striker's wicket.

22.3. Revoking a call of Wide ball

22.3.1. The umpire shall revoke the call of Wide ball if there is then any contact between the ball and the striker's bat or person before the ball comes into contact with any fielder.

22.3.2. The umpire shall revoke the call of Wide ball if a delivery is called a No ball. See clause 21.13 (No ball to over-ride Wide).

22.4. Delivery not a Wide

22.4.1. The umpire shall not adjudge a delivery as being a Wide, if the striker, by moving, either causes the ball to pass wide of him, as defined in clause 22.1.2 or brings the ball sufficiently within reach to be able to hit it by means of a normal cricket stroke.

22.4.2. The umpire shall not adjudge a delivery as being a Wide if the ball touches the striker's bat or person, but only as the ball passes the striker.

22.5. Ball not dead

The ball does not become dead on the call of Wide ball.

22.6. The ball does not become dead on the call of Wide ball.

A penalty of one run shall be awarded instantly on the call of Wide ball. Unless the call is revoked, see clause 22.3, this penalty shall stand even if a batsman is dismissed, and shall be in addition to any other runs scored, any boundary allowance and any other runs awarded for penalties.

22.7. Runs resulting from a Wide – how scored

All runs completed by the batsmen or a boundary allowance, together with the penalty for the Wide, shall be scored as Wide balls. Apart from any award of 5 Penalty runs, all runs resulting from a Wide shall be debited against the bowler.

22.8. Wide not to count

A Wide shall not count as one of the over. See clause 17.3 (Validity of balls).

22.9. Out from a Wide

When Wide ball has been called, neither batsman shall be out under any of the Playing Conditions except clause 35 (Hit wicket), clause 37 (Obstructing the field), clause 38 (Run out) or clause 39 (Stumped).

23. Bye and Leg Bye

23.1. Byes

If the ball, delivered by the bowler, not being a Wide, passes the striker without touching his bat or person, any runs completed by the batsmen from that delivery, or a boundary allowance, shall be credited as Byes to the batting side. Additionally, if the delivery is a No ball, the one run penalty for such a delivery shall be incurred.

23.2. Leg Byes

23.2.1. If a ball delivered by the bowler first strikes the person of the striker, runs shall be scored only if the umpire is satisfied that the striker has either attempted to play the ball with the bat or tried to avoid being hit by the ball.

23.2.2. If the umpire is satisfied that either of these conditions has been met runs shall be scored as follows.

23.2.2.a. If there is either no subsequent contact with the striker's bat or person, or only inadvertent contact with the striker's bat or person, any runs completed by the batsmen or a boundary allowance shall be credited to the striker in the case of subsequent contact with his bat but otherwise to the batting side as in clause 23.2.3.

23.2.2.b. If the striker wilfully makes a lawful second strike, clause 34.3 (Ball lawfully struck more than once) and clause 34.4 (Runs permitted from ball lawfully struck more than once) shall apply.

23.2.3. The runs in clause 23.2.2.1, unless credited to the striker, shall be scored as Leg byes. Additionally, if the delivery is a No ball, the one run penalty for the No ball shall be incurred.

23.3. Leg byes not to be awarded

If in the circumstance of clause 23.2.1 the umpire considers that neither of the conditions therein has been met, then Leg byes shall not be awarded.

If the ball does not become dead for any other reason, the umpire shall call and signal Dead ball as soon as the ball reaches the boundary or at the completion of the first run.

The umpire shall then:

- disallow all runs to the batting side;
- return any not out batsman to his original end;
- signal No ball to the scorers if applicable;
- award any 5-run Penalty that is applicable except for Penalty runs under clause 28.3 (Protective helmets belonging to the fielding side).

24. Fielder's absence; substitutes

24.1. Substitute fielders

- 24.1.1. The umpires shall allow a substitute fielder
 - 24.1.1.a. if they are satisfied that a fielder has been injured or become ill and that this occurred during the match, or
 - 24.1.1.b. for any other wholly acceptable reason.
 - 24.1.1.c. In all other circumstances, a substitute is not allowed.
- 24.1.2. A substitute shall not bowl or act as captain but may act as wicket-keeper only with the consent of the umpires. Note, however, clause 42.4.1.
- 24.1.3. A nominated player may bowl or field even though a substitute has previously acted for him, subject to clauses 24.2 and 24.3.
- 24.1.4. Squad members of the fielding or batting team who are not playing in the match and who are not acting as substitute fielders shall be required to wear a team training bib whilst on the playing area (including the area between the boundary and the perimeter fencing).

24.2. Fielder absent or leaving the field of play

- 24.2.1. A player going briefly outside the boundary while carrying out any duties as a fielder is not absent from the field of play nor, for the purposes of this clause, is he to be regarded as having left the field of play.
- 24.2.2. If a fielder fails to take the field at the start of play or at any later time, or leaves the field during play,
 - 24.2.2.a. an umpire shall be informed of the reason for this absence.
 - 24.2.2.b. he shall not thereafter come on to the field of play during a session of play without the consent of the umpire. See clause 24.4. The umpire shall give such consent as soon as it is practicable.
- 24.2.3. If a player is absent from the field for longer than 8 minutes, the following restrictions shall apply to their future participation in the match:
 - 24.2.3.a. The player shall not be permitted to bowl in the match until he has either been able to field, or his team has subsequently been batting, for the total length of playing time for which the player was absent (hereafter referred to as Penalty time). A player's unexpired Penalty time shall be limited to a maximum of 40 minutes. If any unexpired Penalty time remains at the end of an innings, it is carried forward to the next and subsequent innings of the match.
 - 24.2.3.b. The player shall not be permitted to bat in the match until his team's batting innings has been in progress for the length of playing time that is equal to the unexpired Penalty time carried forward from the previous innings. However, once his side has lost five wickets in its batting innings, he may bat immediately. If any unexpired penalty time remains at the end of that batting innings, it is carried forward to the next and subsequent innings of the match.
- 24.2.4. If the player leaves the field before having served all of his Penalty time, the balance is carried forward as unserved Penalty time.
- 24.2.5. On any occasion of absence, the amount of playing time for which the player is off the field shall be added to any Penalty time that remains unserved, subject to a maximum cumulative Penalty time of 40 minutes, and that player shall not bowl until all of his Penalty time has been served.

- 24.2.6.** For the purposes of clauses 24.2.3.1 and 24.2.3.2, playing time shall comprise the time play is in progress excluding intervals between innings. For clarity, a player's Penalty time will continue to expire after he is dismissed, for the remainder of his team's batting innings.
- 24.2.7.** If there is an unscheduled break in play, the stoppage time shall count as Penalty time served, provided that,
- 24.2.7.a.** the fielder who was on the field of play at the start of the break either takes the field on the resumption of play, or his side is now batting.
- 24.2.7.b.** the fielder who was already off the field at the start of the break notifies an umpire in person as soon as he is able to participate, and either takes the field on the resumption of play, or his side is now batting. Stoppage time before an umpire has been so notified shall not count towards unserved Penalty time.
- 24.2.8.** Any unserved Penalty time shall be carried forward into the next innings of the match, as applicable.

24.3. Penalty time not incurred

A nominated player's absence will not incur Penalty time if,

- 24.3.1.** he has suffered an external blow during the match and, as a result, has justifiably left the field or is unable to take the field.
- 24.3.2.** in the opinion of the umpires, the player has been absent or has left the field for other wholly acceptable reasons, which shall not include illness or internal injury.
- 24.3.3.** the player is absent from the field for a period of 8 minutes or less.

24.4. Player returning without permission

If a player comes on to the field of play in contravention of clause 24.2.2 and comes into contact with the ball while it is in play, the ball shall immediately become dead.

- The umpire shall award 5 Penalty runs to the batting side.
- Runs completed by the batsmen shall be scored together with the run in progress if they had already crossed at the instant of the offence.
- The ball shall not count as one of the over.
 - The umpire shall inform the other umpire, the captain of the fielding side, the batsmen and, as soon as practicable, the captain of the batting side of the reason for this action.

25. Batsman's Innings

25.1. Eligibility to act as a batsman

Only a nominated player may bat and, subject to clause 25.3, may do so even though a substitute fielder has previously acted for him.

25.2. Commencement of a batsman's innings

The innings of the first two batsmen, and that of any new batsman on the resumption of play after a call of Time, shall commence at the call of Play. At any other time, a batsman's innings shall be considered to have commenced when that batsman first steps onto the field of play.

25.3. Restriction on batsman commencing an innings

- 25.3.1. If a member of the batting side has unserved Penalty time, (see clause 24.2.7), that player shall not be permitted to bat until that Penalty time has been served. However, even if the unserved Penalty time has not expired, that player may bat after his side has lost 5 wickets.
- 25.3.2. A member of the batting side's Penalty time is served during Playing time. In the event of an unscheduled stoppage, the stoppage time after the batsman notifies an umpire in person that he is able to participate shall count as Penalty time served.

25.4. Batsman retiring

- 25.4.1. A batsman may retire at any time during his innings when the ball is dead. The umpires, before allowing play to proceed, shall be informed of the reason for a batsman retiring.
- 25.4.2. If a batsman retires because of illness, injury or any other unavoidable cause, that batsman is entitled to resume his innings. If for any reason this does not happen, that batsman is to be recorded as 'Retired – not out'.
- 25.4.3. If a batsman retires for any reason other than as in clause 25.4.2, the innings of that batsman may be resumed only with the consent of the opposing captain. If for any reason his innings is not resumed, that batsman is to be recorded as 'Retired – out'.
- 25.4.4. If after retiring a batsman resumes his innings, subject to the requirements of clauses 25.4.2 and 25.4.3, it shall be only at the fall of a wicket or the retirement of another batsman.

25.5. Runners

Runners shall not be permitted.

26. Practice on the Field

26.1. Practice on the pitch or the rest of the square

- 26.1.1.** There shall not be any practice on the pitch at any time.
- 26.1.2.** There shall not be any practice on the rest of the square at any time except with the approval of the umpires.
- 26.1.2.a.** If approved by the umpires, the use of the square for practice on any day of any match will be restricted to any netted practice area or bowling strips specifically prepared on the edge of the square for that purpose.
- 26.1.2.b.** Bowling practice on the bowling strips referred to above shall also be permitted during the interval (and change of innings if not the interval) unless the umpires consider that, in the prevailing conditions of ground and weather, it will be detrimental to the surface of the square.

26.2. Practice on the outfield

- 26.2.1.** On any day of the match, all forms of practice are permitted on the outfield
- before the start of play;
 - after the close of play; and
 - during the interval or between innings providing the umpires are satisfied that such practice will not cause significant deterioration in the condition of the outfield.
- 26.2.2.** Between the call of Play and the call of Time, practice shall be permitted on the outfield, providing that all of the following conditions are met:
- only the fielders as defined in paragraph 7 of Appendix A participate in such practice.
 - no ball other than the match ball is used for this practice.
 - no bowling practice takes place in the area between the square and the boundary in a direction parallel to the match pitch.
 - the umpires are satisfied that it will not contravene either of clauses 41.3 (The match ball changing its condition) or 41.9 (Time wasting by the fielding side). Bowling a ball, using a short run up to a player in the outfield is not to be regarded as bowling practice but shall be subject to the other conditions in this clause.

26.3. Trial run-up

A bowler is permitted to have a trial run-up provided the umpire is satisfied that it will not contravene either of clauses 41.9 (Time wasting by the fielding side) or 41.12 (Fielder damaging the pitch).

26.4. Penalties for contravention

All forms of practice are subject to the provisions of clauses 41.3 (The match ball – changing its condition), 41.9 (Time wasting by the fielding side) and 41.12 (Fielder damaging the pitch).

- 26.4.1.** If there is a contravention of any of the provisions of clause 26.1 or 26.2, the umpire shall
- warn the player that the practice is not permitted;
 - inform the other umpire and, as soon as practicable, both captains of the reason for this action.
- 26.4.2.** If the contravention is by a batsman at the wicket, the umpire shall inform the other batsman and each incoming batsman that the warning has been issued. The warning shall apply to the team of that player throughout the match.
- 26.4.3.** If during the match there is any further contravention by any player of that team, the umpire shall
- award 5 Penalty runs to the opposing side;
 - inform the other umpire, the scorers and, as soon as practicable,

both captains, and, if the contravention is during play, the batsmen at the wicket.

27. The Wicket - Keeper

27.1. Protective equipment

The wicket-keeper is the only fielder permitted to wear gloves and external leg guards. If these are worn, they are to be regarded as part of his person for the purposes of clause 28.2 (Fielding the ball). If by the wicket-keeper's actions and positioning when the ball comes into play it is apparent to the umpires that he will not be able to carry out the normal duties of a wicket-keeper, he shall forfeit this right and also the right to be recognised as a wicket-keeper for the purposes of clauses 33.2 (A fair catch), 39 (Stumped), 28.1 (Protective equipment), 28.4 (Limitation of on-side fielders) and 28.5 (Fielders not to encroach on pitch).

27.2. Gloves

- 27.2.1. 27.2.1 If, as permitted under clause 27.1, the wicket-keeper wears gloves, they shall have no webbing between the fingers except joining index finger and thumb, where webbing may be inserted as a means of support.
- 27.2.2. If used, the webbing shall be a single piece of non-stretch material which, although it may have facing material attached, shall have no reinforcements or tucks.
- 27.2.3. The top edge of the webbing shall not protrude beyond the straight line joining the top of the index finger to the top of the thumb and shall be taut when a hand wearing the glove has the thumb fully extended. See paragraph 3 of Appendix B.

27.3. Position of wicket-keeper

- 27.3.1. The wicket-keeper shall remain wholly behind the wicket at the striker's end from the moment the ball comes into play until a ball delivered by the bowler touches the bat or person of the striker; or passes the wicket at the striker's end; or the striker attempts a run.
- 27.3.2. In the event of the wicket-keeper contravening this clause, the striker's end umpire shall call and signal No ball as soon as applicable after the delivery of the ball.

27.4. Movement by wicket-keeper

- 27.4.1. After the ball comes into play and before it reaches the striker, it is unfair if the wicket-keeper significantly alters his position in relation to the striker's wicket, except for the following:
 - 27.4.1.a. movement of a few paces forward for a slower delivery, unless in so doing it brings him within reach of the wicket.
 - 27.4.1.b. lateral movement in response to the direction in which the ball has been delivered.
 - 27.4.1.c. movement in response to the stroke that the striker is playing or that his actions suggest he intends to play. However the provisions of clause 27.3 shall apply.
- 27.4.2. In the event of unfair movement by the wicket-keeper, either umpire shall call and signal Dead ball.

27.5. Restriction on actions of wicket-keeper

If, in the opinion of either umpire, the wicket-keeper interferes with the striker's right to play the ball and to guard his wicket, clause 20.4.2.6 (Umpire calling and signalling Dead ball) shall apply.

If, however, either umpire considers that the interference by the wicket-keeper was wilful, then clause 41.1 (Deliberate attempt to distract striker) shall also apply.

27.6. Interference with wicket-keeper by striker

If, in playing at the ball or in the legitimate defence of his wicket, the striker interferes with the wicket-keeper, he shall not be out except as provided for in clause 37.3 (Obstructing a ball from being caught).

28. The Fielder

28.1. Protective equipment

No fielder other than the wicket-keeper shall be permitted to wear gloves or external leg guards. In addition, protection for the hand or fingers may be worn only with the consent of the umpires.

28.2. Fielding the ball

28.2.1. A fielder may field the ball with any part of his person (see paragraph 12 of Appendix A), except as in clause 28.2.1.2. However, he will be deemed to have fielded the ball illegally if, while the ball is in play he wilfully

28.2.1.a. uses anything other than part of his person to field the ball.

28.2.1.b. extends his clothing with his hands and uses this to field the ball.

28.2.1.c. discards a piece of clothing, equipment or any other object which subsequently makes contact with the ball.

28.2.2. It is not illegal fielding if the ball in play makes contact with a piece of clothing, equipment or any other object which has accidentally fallen from the fielder's person.

28.2.3. If a fielder illegally fields the ball, the ball shall immediately become dead and

- the penalty for a No ball or a Wide shall stand.

- any runs completed by the batsmen shall be credited to the batting side, together with the run in progress if the batsmen had already crossed at the instant of the offence.

- the ball shall not count as one of the over.

In addition the umpire shall:

- award 5 Penalty runs to the batting side.

- inform the other umpire and the captain of the fielding side of the reason for this action.

- inform the batsmen and, as soon as practicable, the captain of the batting side of what has occurred.

28.3. Protective helmets belonging to the fielding side

28.3.1. Protective helmets, when not in use by fielders, may not be placed on the ground, above the surface except behind the wicket-keeper and in line with both sets of stumps.

28.3.2. If the ball while in play strikes a helmet, placed as described in clause 28.3.1,

28.3.2.a. the ball shall become dead and, subject to clause 28.3.3,

28.3.2.b. an award of 5 Penalty runs shall be made to the batting side;

28.3.2.c. any runs completed by the batsmen before the ball strikes the protective helmet shall be scored, together with the run in progress if the batsmen had already crossed at the instant of the ball striking the protective helmet.

28.3.3. If the ball while in play strikes a helmet, placed as described in clause 28.3.1, unless the circumstances of clause 23.3 (Leg byes not to be awarded) or clause 34 (Hit the ball twice), apply, the umpire shall:

- permit the batsmen's runs as in clause 28.3.2.3 to be scored

- signal No ball or Wide ball to the scorers if applicable

- award 5 Penalty runs as in clause 28.3.2.2 – award any other Penalty runs due to the batting side.

28.3.4. If the ball while in play strikes a helmet, placed as described in clause 28.3.1, and the circumstances of clause 23.3 (Leg byes not to be awarded) or clause 34 (Hit the ball twice) apply, the umpire shall:

- disallow all runs to the batting side

- return any not out batsman to his original end
- signal No ball or Wide ball to the scorers if applicable
- award any 5-run Penalty that is applicable except for Penalty runs under clause 28.3.2.

28.4. Limitation of onside fielders

- 28.4.1.** At the instant of delivery, there may not be more than 5 fielders on the on side.
- 28.4.2.** At the instant of the bowler’s delivery there shall not be more than two fielders, other than the wicket-keeper, behind the popping crease on the on side. A fielder will be considered to be behind the popping crease unless the whole of his person whether grounded or in the air is in front of this line.
- 28.4.3.** In the event of infringement of this clause by any fielder, the striker’s end umpire shall call and signal No ball.

TOTAL OVERS IN INNINGS	NUMBER OF OVERS FOR WHICH FIELDING RESTRICTIONS IN CLAUSES 28.7.2 AND 28.7.4 ABOVE WILL APPLY
5-8	2
9-10	3

28.5. Fielders not to encroach on pitch

While the ball is in play and until the ball has made contact with the striker’s bat or person, or has passed the striker’s bat, no fielder, other than the bowler, may have any part of his person grounded on or extended over the pitch.

In the event of infringement of this clause by any fielder other than the wicket-keeper, the bowler’s end umpire shall call and signal No ball as soon as possible after delivery of the ball.

Note, however, clause 27.3 (Position of wicket-keeper).

28.6. Movement by any fielder other than the wicket-keeper

28.6.1. Any movement by any fielder, excluding the wicket-keeper, after the ball comes into play and before the ball reaches the striker, is unfair except for the following:

28.6.1.a. minor adjustments to stance or position in relation to the striker’s wicket.

28.6.1.b. movement by any fielder, other than a close fielder, towards the striker or the striker’s wicket that does not significantly alter the position of the fielder.

28.6.1.c. movement by any fielder in response to the stroke that the striker is playing or that his actions suggest he intends to play.

28.6.2. In all circumstances clause 28.4 (Limitation of on side fielders) shall apply.

28.6.3. In the event of such unfair movement, either umpire shall call and signal Dead ball.

28.6.4. Note also the provisions of clause 41.4 (Deliberate attempt to distract striker).

See also clause 27.4 (Movement by wicket-keeper).

28.7. Restrictions on the placement of fielders

- 28.7.1.** In addition to the restrictions contained in clause 28.4 above, further fielding restrictions shall apply to certain overs in each innings. The nature of such fielding restrictions and the overs during which they shall apply are set out in the following paragraphs.
- 28.7.2.** Subject to 28.7.6 below these additional fielding restrictions shall apply to the first 3 overs of each innings (Powerplay overs).
- 28.7.3.** Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 30 yards (27.43 metres). The semi-circles shall be linked by two parallel straight lines drawn on the field (see paragraph 2 of Appendix C). These fielding restriction areas should be marked by continuous painted white lines or 'dots' at 5 yard (4.57 metres) intervals, each 'dot' to be covered by a white plastic or rubber (but not metal) disc measuring 7 inches (18 cm) in diameter.
- 28.7.4.** .0During the Powerplay overs only two fielders shall be permitted outside this fielding restriction area at the instant of delivery.
- 28.7.5.** During the non Powerplay overs, no more than 5 fielders shall be permitted outside the fielding restriction area referred to in clause 28.7.3 above.
- 28.7.6.** In circumstances when the number of overs of the batting team is reduced, the number of Powerplay overs shall be reduced in accordance with the table below. For the sake of clarity, it should be noted that the table shall apply to both the 1st and 2nd innings of the match.
- 28.7.7.** If an innings is interrupted during an over and if on the resumption of play, due to the reduced number of overs of the batting team, the required number of Powerplay overs have already been bowled, the remaining deliveries in the over to be completed shall not be subject to the fielding restrictions.
- 28.7.8.** In the event of an infringement of any of the above fielding restrictions, the square leg umpire shall call and signal No ball.

29. The Wicket is Down

29.1. Wicket put down

- 29.1.1.** The wicket is put down if a bail is completely removed from the top of the stumps, or a stump is struck out of the ground,
- 29.1.1.a.** by the ball,
 - 29.1.1.b.** by the striker's bat if held or by any part of the bat that he is holding,
 - 29.1.1.c.** for the purpose of this clause only, by the striker's bat not in hand, or by any part of the bat which has become detached,
 - 29.1.1.d.** by the striker's person or by any part of his clothing or equipment becoming detached from his person,
 - 29.1.1.e.** by a fielder with his hand or arm, providing that the ball is held in the hand or hands so used, or in the hand of the arm so used.
 - 29.1.1.f.** The wicket is also put down if a fielder strikes or pulls a stump out of the ground in the same manner.
- 29.1.2.** 29.1.2 The disturbance of a bail, whether temporary or not, shall not constitute its complete removal from the top of the stumps, but if a bail in falling lodges between two of the stumps this shall be regarded as complete removal.

29.2. One bail Off

If one bail is off, it shall be sufficient for the purpose of putting the wicket down to remove the remaining bail or to strike or pull any of the three stumps out of the ground, in any of the ways stated in clause 29.1.

29.3. Remaking wicket

If a wicket is broken or put down while the ball is in play, it shall not be remade by an umpire until the ball is dead. See clause 20 (Dead ball).

Any fielder may, however, while the ball is in play,

– replace a bail or bails on top of the stumps. – put back one or more stumps into the ground where the wicket originally stood.

29.4. Dispensing with bails

If the umpires have agreed to dispense with bails in accordance with clause 8.5 (Dispensing with bails), it is for the umpire concerned to decide whether or not the wicket has been put down.

- 29.4.1.** After a decision to play without bails, the wicket has been put down if the umpire concerned is satisfied that the wicket has been struck by the ball, by the striker's bat, person or items of his clothing or equipment as described in clauses 29.1.1.2, 29.1.1.3 or 29.1.1.4, or by a fielder in the manner described in clause 29.1.1.5.
- 29.4.2.** If the wicket has already been broken or put down, clause 29.4.1 shall apply to any stump or stumps still in the ground. Any fielder may replace a stump or stumps, in accordance with clause 29.3, in order to have an opportunity of putting the wicket down.

30. Batsman out of his Ground

30.1. When out of his ground

- 30.1.1. A batsman shall be considered to be out of his ground unless some part of his person or bat is grounded behind the popping crease at that end.
- 30.1.2. However, a batsman shall not be considered to be out of his ground if, in running or diving towards his ground and beyond, and having grounded some part of his person or bat beyond the popping crease, there is subsequent loss of contact between the ground and any part of his person or bat, or between the bat and person, provided that the batsman has continued movement in the same direction.

30.2. Which is a batsman's ground

- 30.2.1. If only one batsman is within a ground, it is his ground and will remain so even if he is later joined there by the other batsman.
- 30.2.2. If both batsmen are in the same ground and one of them subsequently leaves it, the ground belongs to the batsman who remains in it.
- 30.2.3. If there is no batsman in either ground, then each ground belongs to whichever batsman is nearer to it, or, if the batsmen are level, to whichever batsman was nearer to it immediately prior to their drawing level.
- 30.2.4. If a ground belongs to one batsman then the other ground belongs to the other batsman, irrespective of his position.

30.3. Position of non-striker

The non-striker, when standing at the bowler's end, should be positioned on the opposite side of the wicket to that from which the ball is being delivered, unless a request to do otherwise is granted by the umpire.

31. Appeals

31.1. Umpire not to give batsman out without an appeal

Neither umpire shall give a batsman out, even though he may be out under these Playing Conditions, unless appealed to by a fielder. This shall not debar a batsman who is out under these Playing Conditions from leaving the wicket without an appeal having been made. Note, however, the provisions of clause 31.7.

31.2. Batsman dismissed

A batsman is dismissed if he is either given out by an umpire, on appeal or out under these Playing Conditions and leaves the wicket as in clause 31.1.

31.3. Timing of appeals

For an appeal to be valid, it must be made before the bowler begins his run-up or, if there is no run-up, his bowling action to deliver the next ball, and before Time has been called. The call of Over does not invalidate an appeal made prior to the start of the following over, provided Time has not been called. See clauses 12.2 (Call of Time) and 17.2 (Start of an over).

31.4. Appeal “How’s That?”

An appeal “How’s That?” covers all ways of being out.

31.5. Answering appeals

The striker’s end umpire shall answer all appeals arising out of any of clauses 35 (Hit wicket), 39 (Stumped) or 38 (Run out) when this occurs at the wicket-keeper’s end. The bowler’s end umpire shall answer all other appeals.

When an appeal is made, each umpire shall answer on any matter that falls within his jurisdiction.

When a batsman has been given Not out, either umpire may answer an appeal, made in accordance with clause 31.3, if it is on a further matter and is within his jurisdiction.

31.6. Consultation by umpires

Each umpire shall answer appeals on matters within his own jurisdiction. If an umpire is doubtful about any point that the other umpire may have been in a better position to see, he/she shall consult the latter on this point of fact and shall then give the decision. If, after consultation, there is still doubt remaining, the decision shall be Not out.

31.7. Batsman leaving the wicket under a misapprehension

An umpire shall intervene if satisfied that a batsman, not having been given out, has left the wicket under a misapprehension of being out. The umpire intervening shall call and signal Dead ball to prevent any further action by the fielding side and shall recall the batsman. A batsman may be recalled at any time up to the instant when the ball comes into play for the next delivery, unless it is the final wicket of the innings, in which case it should be up to the instant when the umpires leave the field.

31.8. Withdrawal of an appeal

31.9. The captain of the fielding side may withdraw an appeal only after obtaining the consent of the umpire within whose jurisdiction the appeal falls. If such consent is given, the umpire concerned shall, if applicable, revoke the decision and recall the batsman. The withdrawal of an appeal

must be before the instant when the ball comes into play for the next delivery or, if the innings has been completed, the instant when the umpires leave the field.

32. Bowled

32.1. Out Bowled

32.1.1. The striker is out Bowled if his wicket is put down by a ball delivered by the bowler, not being a No ball, even if it first touches the striker's bat or person.

32.1.2. 32.1.2 However, the striker shall not be out Bowled if before striking the wicket the ball has been in contact with any other player or an umpire. The striker will, however, be subject to clauses 37 (Obstructing the field), 38 (Run out) and 39 (Stumped).

32.2. Bowled to take precedence

The striker is out Bowled if his wicket is put down as in clause 32.1, even though a decision against him for any other method of dismissal would be justified.

33. Caught

33.1. Out Caught

The striker is out Caught if a ball delivered by the bowler, not being a No ball, touches his bat without having previously been in contact with any fielder, and is subsequently held by a fielder as a fair catch, as described in clause 33.2 and 33.3, before it touches the ground.

33.2. A fair catch

33.2.1. A catch will be fair only if, in every case either the ball, at any time or any fielder in contact with the ball, is not grounded beyond the boundary before the catch is completed. Note clauses 19.4 (Ball grounded beyond the boundary) and 19.5 (Fielder grounded beyond the boundary).

33.2.2. Furthermore, a catch will be fair if any of the following conditions applies:

33.2.2.a. the ball is held in the hand or hands of a fielder, even if the hand holding the ball is touching the ground, or is hugged to the body, or lodges in the external protective equipment worn by a fielder, or lodges accidentally in a fielder's clothing.

33.2.2.b. a fielder catches the ball after it has been lawfully struck more than once by the striker, but only if it has not been grounded since it was first struck. See clause 34 (Hit the ball twice).

33.2.2.c. a fielder catches the ball after it has touched the wicket, an umpire, another fielder or the other batsman.

33.2.2.d. a fielder catches the ball after it has crossed the boundary in the air, provided that the conditions in clause 33.2.1 are met.

33.2.2.e. the ball is caught off an obstruction within the boundary that is not designated a boundary by the umpires.

33.3. Making a catch

The act of making a catch shall start from the time when the ball first comes into contact with a fielder's person and shall end when a fielder obtains complete control over both the ball and his own movement.

33.4. No runs to be scored

If the striker is dismissed Caught, runs from that delivery completed by the batsmen before the completion of the catch shall not be scored but any runs for penalties awarded to either side shall stand. Clause 18.11.1 (Batsman returning to original end) shall apply from the instant of the completion of the catch.

33.5. Caught to take precedence

If the criteria of clause 33.1 are met and the striker is not out Bowled, then he is out Caught, even though a decision against either batsman for another method of dismissal would be justified.

34. Hit the Ball Twice

34.1. Out Hit the ball twice

34.1.1. The striker is out Hit the ball twice if, while the ball is in play, it strikes any part of his person or is struck by his bat and, before the ball has been touched by a fielder, the striker wilfully strikes it again with his bat or person, other than a hand not holding the bat, except for the sole purpose of guarding his wicket. See clause 34.3 and clause 37 (Obstructing the field).

34.1.2. 34.1.2 For the purpose of this clause 'struck' or 'strike' shall include contact with the person of the striker.

34.2. Not out Hit the ball twice

The striker will not be out under this clause if he

34.2.1. strikes the ball a second or subsequent time in order to return the ball to any fielder. Note, however, the provisions of clause 37.4 (Returning the ball to a fielder). 34.2.2 wilfully strikes the ball after it has touched a fielder. Note, however the provisions of clause 37.1 (Out Obstructing the field).

34.3. Ball lawfully struck more than once

34.3.1. The striker may, solely in order to guard his wicket and before the ball has been touched by a fielder, lawfully strike the ball a second or subsequent time with the bat, or with any part of his person other than a hand not holding the bat. However, the striker may not prevent the ball from being caught by striking the ball more than once in defence of his wicket. See clause 37.3 (Obstructing a ball from being caught).

34.4. Runs permitted from ball lawfully struck more than once

34.4.1. When the ball is lawfully struck more than once, as permitted in clause 34.3, if the ball does not become dead for any reason, the umpire shall call and signal Dead ball as soon as the ball reaches the boundary or at the completion of the first run. However, the umpire shall delay the call of Dead ball to allow the opportunity for a catch to be completed. The umpire shall

- disallow all runs to the batting side
- return any not out batsman to his original end
 - signal No ball to the scorers if applicable; and
- award any 5-run Penalty that is applicable except for Penalty runs under clause 28.3 (Protective helmets belonging to the fielding side).

34.5. Bowler does not get credit

The bowler does not get credit for the wicket.

35. Hit Wicket

35.1. Out Hit Wicket

35.1.1. The striker is out Hit wicket if, after the bowler has entered the delivery stride and while the ball is in play, his wicket is put down by either the striker's bat or person as described in clauses 29.1.1.2 to 29.1.1.4 (Wicket put down) in any of the following circumstances:

- 35.2. 35.1.1.1 in the course of any action taken by him in preparing to receive or in receiving a delivery,
- 35.3. 35.1.1.2 in setting off for the first run immediately after playing or playing at the ball,
- 35.4. 35.1.1.3 if no attempt is made to play the ball, in setting off for the first run, providing that in the opinion of the umpire this is immediately after the striker has had the opportunity of playing the ball,
- 35.5. 35.1.1.4 in lawfully making a second or further stroke for the purpose of guarding his wicket within the provisions of clause 34.3 (Ball lawfully struck more than once).
- 35.6. 35.1.2 If the striker puts his wicket down in any of the ways described in clauses 29.1.1.2 to 29.1.1.4 before the bowler has entered the delivery stride, either umpire shall call and signal Dead ball.
- 35.7. 35.2 Not out Hit wicket

The striker is not out under this clause should his wicket be put down in any of the ways referred to in clause 35.1 if any of the following applies:

- it occurs after the striker has completed any action in receiving the delivery, other than in 35.1.1.2 to 35.1.1.4.
- it occurs when the striker is in the act of running, other than setting off immediately for the first run.
- it occurs when the striker is trying to avoid being run out or stumped.
- it occurs when the striker is trying to avoid a throw in at any time.
- the bowler after entering the delivery stride does not deliver the ball. In this case either umpire shall immediately call and signal Dead ball. See clause 20.4 (Umpire calling and signalling Dead ball).
- the delivery is a No ball.

36. Leg Before Wicket

36.1. Out LBW

The striker is out LBW if all the circumstances set out in clauses 36.1.1 to 36.1.5 apply.

- 36.1.1. The bowler delivers a ball, not being a No ball
- 36.1.2. the ball, if it is not intercepted full-pitch, pitches in line between wicket and wicket or on the off side of the striker's wicket
- 36.1.3. the ball not having previously touched his bat, the striker intercepts the ball, either full-pitch or after pitching, with any part of his person
- 36.1.4. the point of impact, even if above the level of the bails, either is between wicket and wicket or if the striker has made no genuine attempt to play the ball with the bat, is between wicket and wicket or outside the line of the off stump.
- 36.1.5. 36.1.5 but for the interception, the ball would have hit the wicket.

36.2. Interception of the ball

- 36.2.1. In assessing points of impact in clauses 36.1.3, 36.1.4 and 36.1.5, only the first interception is to be considered.
- 36.2.2. In assessing 36.1.3, if the bowler's end umpire is not satisfied that the ball intercepted the batsman's person before it touched the bat, the batsman shall be given Not out.
- 36.2.3. In assessing clause 36.1.5, it is to be assumed that the path of the ball before interception would have continued after interception, irrespective of whether the ball might have pitched subsequently or not.

36.3. Off side of wicket

The off side of the striker's wicket shall be determined by the striker's stance at the moment the ball comes into play for that delivery. See paragraph 13 of Appendix A.

37. Obstructing the field

37.1. Out Obstructing the field

- 37.1.1.** Either batsman is out Obstructing the field if, except in the circumstances of clause 37.2, and while the ball is in play, he wilfully attempts to obstruct or distract the fielding side by word or action. See also clause 34 (Hit the ball twice).
- 37.1.2.** The striker is out Obstructing the field if, except in the circumstances of clause 37.2, in the act of receiving a ball delivered by the bowler, he wilfully strikes the ball with a hand not holding the bat. This will apply whether it is the first strike or a second or strike. The act of receiving the ball shall extend both to playing at the ball and to striking the ball more than once in defence of his wicket.
- 37.1.3.** This clause will apply whether or not No ball is called.
- 37.1.4.** For the avoidance of doubt, if an umpire feels that a batsman, in running between the wickets, has significantly changed his direction without probable cause and thereby obstructed a fielder's attempt to effect a run out, the batsman should, on appeal, be given out, obstructing the field. It shall not be relevant whether a run out would have occurred or not. If the change of direction involves the batsman crossing the pitch, clause 41.14 shall also apply.

37.2. Not out Obstructing the field

A batsman shall not be out Obstructing the field if the obstruction or distraction is accidental, or if the obstruction is in order to avoid injury or if, in the case of the striker, he makes a second or subsequent strike to guard his wicket lawfully as in clause 34.3 (Ball lawfully struck more than once). However, see clause 37.3.

37.3. Obstructing a ball from being caught

The striker is out Obstructing the field should wilful obstruction or distraction by either batsman prevent a catch being completed. This shall apply even though the obstruction is caused by the striker in lawfully guarding his wicket under the provision of clause 34.3 (Ball lawfully struck more than once).

37.4. Returning the ball to a fielder

Either batsman is out Obstructing the field if, at any time while the ball is in play and, without the consent of a fielder, he uses the bat or any part of his person to return the ball to any fielder.

37.5. 37.5 Runs scored

When either batsman is dismissed Obstructing the field,

41.18.1. 41.18.1 When Penalty runs are awarded to either side, when the ball is dead the umpire shall signal the Penalty runs to the scorers. See clause 2.13 (Signals).

41.18.2. Penalty runs shall be awarded in each case where these Playing Conditions require the award, even if a result has already been achieved. See clause 16.6 (Winning hit or extras).

Note, however, that the restrictions on awarding Penalty runs, in clauses 23.3 (Leg byes not to be awarded), 34.4 (Runs scored from ball lawfully struck more than once) and 28.3 (Protective helmets belonging to the fielding side), will apply.

41.18.4. When 5 Penalty runs are awarded to the fielding side, under clause 18.5.2 (Deliberate short runs), or under 41.10, 41.14, 41.15 or 41.17, they shall be added as Penalty extras to that side's total of runs in its most recently completed innings. If the fielding side has not completed an innings, the 5 Penalty runs shall be added to the score in its next innings.

41.19. Unfair actions

41.19.1. If an umpire considers that any action by a player, not covered in these Playing Conditions, is unfair, he/she shall call and signal Dead ball, if appropriate, as soon as it becomes clear that

the call will not disadvantage the non-offending side, and report the matter to the other umpire.

The bowler's end umpire shall

41.19.1.a. If this is a first offence by that side

– summon the offending player's captain and issue a first and final warning which shall apply to all members of the team for the remainder of the match.

41.19.1.b. If this is a second or subsequent offence by that side – award 5 Penalty runs to the opposing side.

41.19.1.c. The umpires shall then report the matter to the ECS Match Referee who shall take such action as is considered appropriate against the player concerned.

42. Player's conduct

- 42.1.1.** The umpires shall act upon any serious misconduct. The relevant offences and the corresponding actions by the umpires are identified in clause 42.2.1. These offences correspond with Level 4 offences in the ECS Code of Conduct. Level 1 to Level 3 offences continue to be dealt with separately under the ECS Code of Conduct.
- 42.1.2.** If either umpire considers that a player has committed one of these offences at any time during the match, the umpire concerned shall call and signal Dead ball. This call may be delayed until the umpire is satisfied that it will not disadvantage the non-offending side.
- 42.1.3.** The umpire concerned shall report the matter to the other umpire and together they shall decide whether an offence has been committed. The umpires may also consult with the third umpire and the match referee, who may review any audio or video replays to confirm whether an offence has been committed. If so, the umpires shall then apply the related sanctions.
- 42.1.4.** If the offence is committed by a batsman, the umpires shall summon the offending player's captain to the field. Solely for the purpose of this clause, the batsmen at the wicket may not deputise for their captain.

42.2. Level 4 offences and action by umpires

- 42.2.1.** Any of the following actions by a player shall constitute a Level 4 offence:
- 42.2.2.** – threatening to assault an umpire – making inappropriate and deliberate physical contact with an umpire – physically assaulting a player or any other person – committing any other act of violence.
- 42.2.3.** If such an offence is committed, 42.2.2.1 to 42.2.2.5 shall be implemented.
- 42.2.3.a.** The umpire shall call Time.
- 42.2.3.b.** Together the umpires shall summon and inform the offending player's captain that an offence at this Level has occurred.

- 42.2.3.c.2.** If a bowler is suspended mid-over, then that over must be completed by a different bowler, who shall not have bowled the previous over nor shall be permitted to bowl the next over.
- 42.2.3.c.3.** If the offending player is a batsman he is to be recorded as Retired – out in the current innings, unless he has been dismissed under any of clauses 32 to 39, and at the commencement of any subsequent innings in which his team is the batting side. If no further batsman is available to bat, the innings is completed.
- 42.2.3.d.** As soon as practicable, the umpire shall:
- award 5 Penalty runs to the opposing team

42.4. Additional points relating to Level 4 offences

- 42.4.1.** If a player, while acting as wicket-keeper, commits a Level 4 offence, clause 24.1.2 shall not apply, meaning that only a nominated player may keep wicket, even if another fielder becomes injured or ill and is replaced by a substitute.
- 42.4.2.** A nominated player who has a substitute will also suffer the penalty for any Level 4 offence committed by the substitute. However, only the substitute will be reported under clause 42.2.2.5.

43. Supplement Covid-19 playing conditions enforcement procedures

- 43.1. If it is the opinion of the umpire or tournament referee that a player is not following the ECS Covid Guidelines (See Appendix G) then they may apply the following enforcement procedures
- 43.1.1.** The umpire shall summon and inform the offending player's captain of an unintentional breach of the guide
 - 43.1.2.** The umpire shall deliver a first and final warning to the captain for that match
 - 43.1.3.** Any following breaches during the match shall result in a 5 run penalty
- 43.2. Continued breaches from players and support personnel on and off the field may result in that person being removed from the event.

Appendix B - Equipment

1. The Bat

1.1. General guidance

- 1.1.1. Measurements – All provisions in paragraphs 1.2 to 1.6 below are subject to the measurements and restrictions stated in the Playing Conditions and this Appendix.
- 1.1.2. Adhesives – Throughout, adhesives are permitted only where essential and only in minimal quantity.

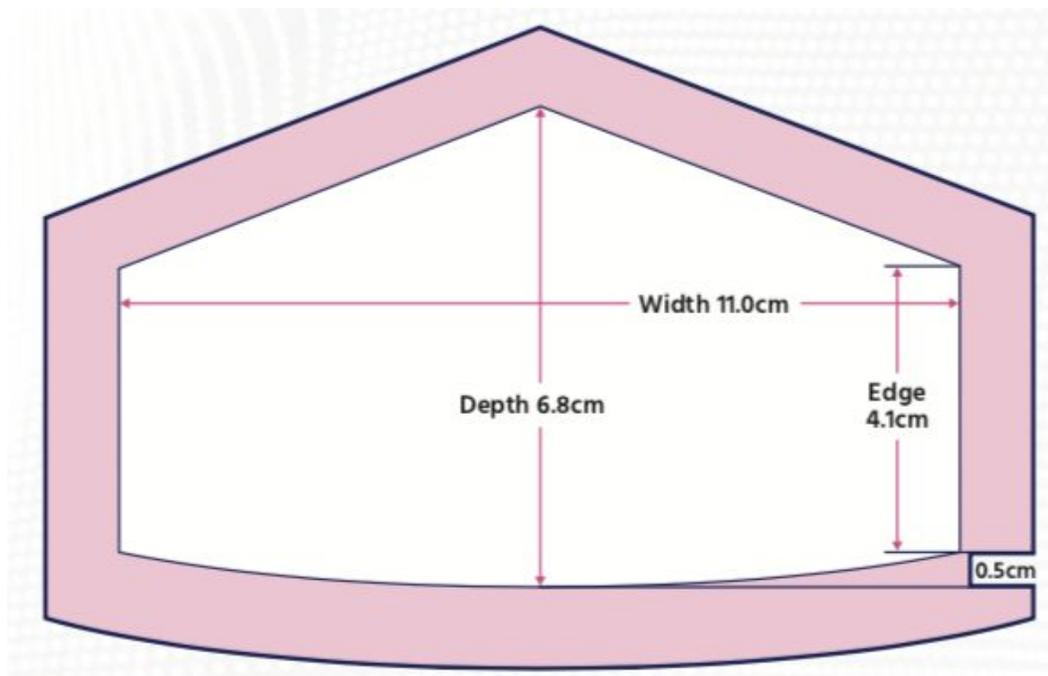

1.2. Specifications for the Handle

- 1.2.1. One end of the handle is inserted into a recess in the blade as a means of joining the handle and the blade. This lower portion is used purely for joining the blade and the handle together. It is not part of the blade but, solely in interpreting paragraphs 1.3 and 1.4 below, references to the blade shall be considered to extend also to this lower portion of the handle where relevant.
- 1.2.2. The handle may be glued where necessary and bound with twine along the upper portion. Providing clause 5.5 is not contravened, the upper portion may be covered with materials solely to provide a surface suitable for gripping. Such covering is an addition and is not part of the bat, except in relation to clause 5.6. The bottom of this grip should not extend below the point defined in paragraph 1.2.4 below. Twine binding and the covering grip may extend beyond the junction of the upper and lower portions of the handle, to cover part of the shoulders of the bat as defined in paragraph 1.3.1. No material may be placed on or inserted into the lower portion of the handle other than as permitted above together with the minimal adhesives or adhesive tape used solely for fixing these items, or for fixing the handle to the blade.
- 1.2.3. Materials in handle – As a proportion of the total volume of the handle, materials other than cane, wood or twine are restricted to one-tenth. Such materials must not project more than 3.25 in/8.26 cm into the lower portion of the handle.
- 1.2.4. Binding and covering of handle – The permitted continuation beyond the junction of the upper and lower portions of the handle is restricted to a maximum, measured along the length of the handle, of 2.5 in/6.35 cm in for the twine binding. 2.75 in/6.99 cm for the covering grip.

1.3. Specifications for the Blade

- 1.3.1. The blade has a face, a back, a toe, sides and shoulders
 - 1.3.1.1. The face of the blade is its main striking surface and shall be flat or have a slight convex curve resulting from traditional pressing techniques. The back is the opposite surface.
 - 1.3.1.2. The shoulders, sides and toe are the remaining surfaces, separating the face and the back.
 - 1.3.1.3. The shoulders, one on each side of the handle, are along that portion of the blade between the first entry point of the handle and the point at which the blade first reaches its full width.

- 1.3.1.4. The toe is the surface opposite to the shoulders taken as a pair.
 - 1.3.1.5. The sides, one each side of the blade, are along the rest of the blade, between the toe and the shoulders.
 - 1.3.2. No material may be placed on or inserted into the blade other than as permitted in paragraph 1.2.4, paragraph 1.3.3, and clause 5.4 together with the minimal adhesives or adhesive tape used solely for fixing these items, or for fixing the handle to the blade.
 - 1.3.3. Covering the blade. Bats shall have no covering on the blade except as permitted in clause 5.4. Any materials referred to above, in clause 5.4 and paragraph 1.4 below, are to be considered as part of the bat, which must still pass through the gauge as defined in paragraph 1.6.
- 1.4. **Protection and repair**
- 1.4.1. The surface of the blade may be treated with non-solid materials to improve resistance to moisture penetration and/or mask natural blemishes in the appearance of the wood. Save for the purpose of giving a homogeneous appearance by masking natural blemishes, such treatment shall not materially alter the colour of the blade.
 - 1.4.2. Materials can be used for protection and repair as stated in clause 5.4 and are additional to the blade. Note however clause 5.6. Any such material shall not extend over any part of the back of the blade except in the case of clause 5.4.1 and then only when it is applied as a continuous wrapping covering the damaged area. The repair material shall not extend along the length of the blade more than 0.79 in/2.0 cm in each direction beyond the limits of the damaged area. Where used as a continuous binding, any overlapping shall not breach the maximum of 0.04 in/0.1 cm in total thickness. The use of non-solid material which when dry forms a hard layer more than 0.004 in/0.01 cm in thickness is not permitted.
 - 1.4.3. Permitted coverings, repair material and toe guards, not exceeding their specified thicknesses, may be additional to the dimensions above, but the bat must still pass through the gauge as described in paragraph 1.6.
- 1.5. **Commercial identifications**
- 1.5.1. Such identifications shall comply with the restrictions set out in the hosting National Federation's Clothing and Equipment Regulations in relation to the size and position of marks and logos.
- 1.6. **Bat Gauge**
- 1.6.1. All bats must meet the specifications defined in clause 5.7. They must also, with or without protective coverings permitted in clause 5.4, be able to pass through a bat gauge, the dimensions and shape of which are shown in the following diagram:

14. The Golden Ball shall be considered as a new over in relation to short pitched bowling as outlined in clause 41.6

15. Runs from a No Ball shall count towards the two runs required by the batting side for the Golden Ball, and ball shall be re-bowled in accordance with the clause 21.

16. If a No Ball is bowled, the next delivery shall become a Free Hit in accordance with the clause 21.19.

In the event of a tie due not being able to complete the Golden Ball in a Knock-Out Match then, the winner will be determined by the team's performances in the Group stage as follows: Group standing, most points, most wins, highest net run rate. If still equal, teams that cannot be separated in this way this will be done by drawing lots.

21. For avoidance of doubt, any penalty time being served in the match for either batsman or bowler shall be carried forward for the Golden Ball.
